SCHOOLS HOLD GRADUATION EVENTS NEXT WEEK

Heights schools to give diplomas to 361 grade and high students

Three hundred and sixty-one students in Arlington Heights grade and high schools will be given diplomas at four separate exercises to be held between June 7 and 11.

Students from the Arlington Heights Public elementary schools will be the first to receive their certificates in a ceremony June 7, at 8 p. m. at the Arlington Heights high school. The class consists of 99 graduates.

Harold G. Shane of Northwestern University will give the address and the diplomas will be presented by N. M. Lattof, president of the grade school board. Music during the program will be furnished by the grade school band and members of the seventh and eighth grade chorus, North school.

The following night, June 8, will find 196 seniors from the high school, receiving their diplomas in an impressive outdoor service on the athletic field, 8:15 p. m. This is only the second class to hold their exercises out-of-doors.

Arlington Heights high school accommodates students from Mt. Prospect, Prospect Heights, Wheeling and rural areas, as well as students from Heights.

Addresses will be given by four members of the graduating class: Patricia Boyles, Roger Kennedy, Adrienne Peterson and Richard Spratt. E. F. Laurin, president of the school board, will present the diplomas.

Entertainment during the evening will consist of selections by the high school band and mixed chorus. The programs will list 29 seniors receiving special awards during the past year.

Baccalaureate services will be held this Sunday in the high school auditorium, at 8:15 p. m. Rev. William McGill, Wheeling Presbyterian church, will officiate, while the address will be presented by Rev. Edwin Stevens, Mount Prospect South church.

St. Peter Lutheran will hold its graduation June 9, at 8 p. m., in the South Public school auditorium. Diplomas will be given to 27 eighth graders.

Guest speaker at the exercises will be Prof. M. Neeb, Executive Secretary of the Board for High Education Lutheran church, Missouri Synod.

At 9:30 a. m. high mass will be held June 11 for 39 graduates of St. James Catholic school. Father George Stier will address the graduates and issue them their diplomas. A breakfast will be served the graduates following the mass.

Names of all the graduates will be found on page 13 of this issue.

Many petty robberies in Arlington business area

Arlington Heights police have been alerted because of numerous recent robberies in the business district. One of them, a daylight affair, caused a loss of over \$600.

Places entered within the past two weeks include Esquire Service station, Horath's Super Service, Heller Lumber Co., E. W. A. Howies Co. and Arlington Roller Mills. Entries were gained by either breaking a glass or use of a jimmy bar. Total cash loss is reported to have been only a few dollars in a cash drawer at the latter place.

The daylight robbery was at the home of H. W. Grace, second floor of the Vail Davis apartments. The intruders found it easy to gain entrance by using a thin blade which pushed back the door latch.

Vocal students to present song recital in Arlington Heights June 9

Students of Naomi Cook, voice teacher, will present a song recital June 9 at 8 p. m. at the Arlington Heights field house.

Students between the ages of 6 and 35 from Arlington Heights, Mt. Prospect, Barrington, Fox River Grove, Berwyn, Hinsdale, Park Ridge, Cicero and Chicago will participate.

The program will include three solos, several duets, as well as selections by a sextet, mixed quartet, intermediate girls and the ensemble. Excerpts from "Aida" will be one of the outstanding features of the evening.

This is the first time that a recital of this type has been presented in Arlington Heights. There will be no charge for admission.

Creamer benefit nets \$3,368.85

A profit of \$3,368.85 was realized in the most successful benefit ever to be staged in Arlington Heights, held last Thursday at the high school.

Proceeds from the Bill Creamer benefit track meet came from ticket sales, donations, concessions and a special attraction during the meet.

Band summer school begins June 19; to hold registration June 15-16

Arlington Heights public schools are offering a Summer Music program providing for six weeks of training and participation in music activities. These classes will be taught by Mr. Brunt, music instructor of the local schools, and will be held in the auditorium of the North school.

Students may register for the music program Thursday, June 15, or Friday, June 16, in the auditorium of the North school. Classes will begin the week of June 19.

Students wishing instrumental instruction for the six weeks' period may have it at a cost of six dollars for the term. This is open for all students now receiving instrumental instruction and also for any child who wishes to take up a band instrument, including children who will be in fourth grade next year.

Such instruction for an individual child, all of which is covered by the six dollar fee, might include one or two band rehearsals weekly, one sectional band rehearsal weekly, meeting with a small ensemble once or more weekly, and individual or small group instruction.

Closing dates of Heights public grade schools

The last regular sessions for the kindergartens at both the North and South public schools, Arlington Heights, will be held Wednesday, June 7, with closing hours at the regular time.

Grades one through four (double sessions) will hold their last regular sessions Thursday, June 8, with closing hours at the regular time.

Grades five through eight will close at regular noon dismissal times, Friday, June 9. However, they will not have classes on Thursday, June 8.

Benefit soft ball game Sunday, June 4, 5 p. m. for Cancer Fund

A cancer fund benefit game at 5 p. m. Sunday, June 4, has been scheduled between Art's Meat-Balls, of Arlington Bowling Lanes and El Rando, famous Rose Lo team.

Special entertainment will be provided by the Slottag Trio, also the Thompson Act.

Additional donations to the fund can be made to Messrs Art, Lingren or Wolf at the Arlington Bowling Lane, phone Arl. Hts. 1577.

Art promises there will be lots of fun and the receipts will go to the cancer fund.

Tax protests of farmers alarm taxing bodies

Small attention was paid to the efforts of members of Cook County Farm Bureau to have township boards cut their appropriations at the April town meetings.

The farmers did not say much, but evidently girded their loins for future tax battles. A tax expert on the pay roll of the Farm Bureau and a firm of attorneys have taken preliminary steps in an out-and-out court battle on the validity of certain parts of various levies.

ALL MEMBERS of the farm organization were advised to protest their taxes if the amount was over \$100. All of them did not do so, but many prominent farmers in the townships of Elk Grove, Wheeling, Palatine and Schaumburg have entered upon the "cold war."

All three county taxing bodies, including the county, forest preserve and the tuberculosis sanitarium are under the ban for part or nearly all of their levies. The non-high school bond tax of .038 is protested in its entirety.

STRANGE AS IT MAY seem, no protests have been filed by the farmers against Elk Grove Consolidated school, the Schaumburg-Hanover unit school district, town taxes in Elk Grove or Schaumburg townships. The latter township has no town tax of any kind.

T. C. Hart, collector of Palatine township, reports the receipt of 400 protests, not all farmers, as many of them are on residences that are being financed.

Wm. Annen, Wheeling township collector, has filed about 250 protests; Chas. J. Walters, Elk Grove, 150 and Collector Dohl, Schaumburg, 30 protests.

The protests filed by the farmers should not be confused with protests filed by others through tax attorneys who protest any and everything.

THE ATTORNEYS handling the farm protests have evidently

On top of the world!

made a careful check of the tax levies in question and claim that they have grounds for their objections. The amounts in question are: county .098, forest preserve .012, T. B. sanitarium .075, non-high school .038.

Wheeling township — high school .039; district 25 .173; Wheeling consolidated school .262; road and bridge .002.

Palatine township — high school .067; 15 .230; town .032; Palatine fire protection district .026.

In Elk Grove township the objections are confined to the four county units, the high school, and Palatine fire district. The same is true of Schaumburg.

The position of the farmers is outlined in a news story on page 18 of this issue.

Local fire departments to take part in week end field demonstrations

Fire departments from Arlington Heights, Mt. Prospect, Palatine, Wheeling and Prospect Heights will take part in the Field Days and Fire Fighting demonstrations at Linne Woods Dempster street in Morton Grove this coming Friday, Saturday and Sunday.

A parade will start at 3 p. m. Saturday and Sunday; the Fire Fighting demonstrations will start following the parade. In the early evening there will be water fights between the members of the Cook County Suburban Firemen's Association.

Sell-out assures concert head-liners next season

The five-day membership campaign for the Arlington Heights Community Concert's season of 1950-51, has been completed and termed a success, having obtained over 1,000 memberships.

Although memberships were slow in coming in to headquarters at 11 W. Davis st., the final result definitely showed that the people of Arlington Heights and surrounding towns were interested in sufficient numbers to assure a most successful winter concert season.

As is the case with all community concert associations, no single admissions are available. The many loyal workers who worked so diligently and faithfully are to be congratulated.

SUNDAY AFTERNOON 40 of the top sellers of memberships, together with the board of directors, gathered in the field house for the artist selection meeting. The present officers and board of directors were unanimously re-elected. They are as follows:

President, Gale Block Jr.; secretary, Mrs. Gale Block Jr.; treasurer, A. H. Franzen; general chairman, Mrs. A. H. Franzen, and co-chairman, Mrs. Fred Schmoeyer.

Board of directors: Mrs. Ira Parker, Kenneth Kennedy, Mrs. Rowland Laughlin, Mrs. Charles Cryslar, Mrs. Jack Reinsma, Mrs. David Talbot, Fred Schmoeyer, Mrs. Arthur Filkins, Mrs. George Warren.

After more than two hours of discussion, it was decided that the following concerts would be presented.

In October, the de Paup Infantry Chorus. This is a group of ex-G. I.'s drilled with musical and military precision by its brilliant conductor, Leonard de Paup. This group has captured the public's favor from coast to coast, and is of the opinion that it is one of the outstanding men's choral groups anywhere in the world.

In January, Nicole Henriot, a slim blonde parisienne, who is one of the most remarkable of (Continued on Page 5)

Honors Day assembly bestows credit on 28 Arlington high school seniors

Twenty-eight members of the graduating class of Arlington Heights township high school received signal honors at the Honors Day assembly held in the high school auditorium at two o'clock today, Thursday.

LeRoy J. Knoepfel, principal of the high school, presented valedictorian medals to David Kurtz, Richard Morrow, and Jane Rowles. All three students have distinguished themselves by maintaining a straight "A" record in all of their subjects throughout their four years of high school.

Marrionette circus here Sunday

"The Circus! The Circus! The throb of the drum, a clatter of hoofs and the bandwagon comes."—James Whitcomb Riley.

Yes, the stirring lines from this famous poem will be re-enacted this Sunday when the Arlington Heights Fire Department brings the Cole Marionette Circus to town. With it will come the first free street parade to be shown with a circus for the past 20 years. There will be blowing bands, beautiful gilded cages of real live wild animals and a real old time callopie.

PARTICIPATING in the parade, which starts at 1:30 p. m., will be the Arlington Heights Fire Department. A tent will be pitched at the North Public school grounds and the first show is scheduled for 2:30 p. m. A second performance will begin at 4:30 p. m. and the third begins at 8 p. m.

Tickets are 65 cents for adults and 35 cents for children, including tax. Proceeds will go into the Firemen's fund.

A big surprise is in store for all the old timers who say in regard to the circus, "see one and you've seen all."

Cole Marionette Circus is one where the actors and animals are large marionettes (controlled by strings above). One will see a puppet elephant which is larger than a baby real live elephant, and also see a puppet drive a replica of an old model T Ford all around the hippodrome track. Of course, he has trouble with its stalling, but that's all a part of the show.

Beautiful trapeze girls, horses, clowns, clowns and more clowns! Youngsters will be thrilled, excited and entertained at the grand performance of the world's largest marionette circus.

Grade school band to hold outdoor concert, instrument display

Tonight, Thursday, the Arlington Heights public grade schools concert band will present a brief outdoor concert at the North school, 7:15 p. m.

Immediately following an instrument display will be held at the school, through the courtesy of the Lyons Band Instrument Company. These instruments are available to band students on either a rental or purchase plan.

It is highly desirable for children who wish to begin studying an instrument to do it during the summer program, if possible when more individual time can be given them. Instruction is available to all children from fourth grade up, if they will secure an instrument.

With the rental plan, the student has the privilege of returning the instrument at any time after three months if progress is not shown. Parents are urged to attend with their children in order to obtain complete information.

Col. Bowen main speaker at Memorial Day services

Col. Robert O. Bowen, director of the ninth U. S. Marine Corps district, gave the major address at the Memorial Day services Tuesday at Memorial Park.

The theme of Col. Bowen's address was "Happiness," and that a happy and peaceful world was dependent on happy families. He said that Americans should be aware of Communism and its influence and guard against it.

Another point he stressed is that Americans should do all they can to protect their children against juvenile delinquency.

Following the ceremony, military rites were also carried out at the Euclid ave. cemetery.

Recognition was given at this time to several other seniors who have won scholarships during the year.

Connie Johnson has received a four-year scholarship of \$600 a year to the Eastman School of Music of Rochester University.

Roger Kennedy was the winner of a Prize Fellowship contest to Lawrence University, a four-year scholarship.

Ken Rash has won a scholarship to the Naval Reserve Officers Training Corps at Northwestern University entitling him to four years' tuition, certain naval supplies, and \$600 a year for maintenance.

David Kurtz is the winner of the Mary Foreman Scholarship at Knox College entitling him to \$510 full tuition, renewable for four years. David has also been offered a scholarship of \$180 a year at Northwestern University.

RICHARD MORROW has won an open scholarship of \$600 a year to Swarthmore College. Richard was also offered a \$300 renewable scholarship to Carleton College and received honorable mention in the Bausch and Lomb Science Scholarship award.

May Lou Sander is the winner of the Art scholarship offered by the Arlington Heights Woman's Club, entitling her to attendance at the art school this summer at the Robert Alterton Park in Monticello.

Phi Beta Kappa Association of the Chicago area presents a certificate of commendation each year to the senior boy and the senior girl who are judged to be outstanding in scholastic leadership, service and character attainments. These awards were presented to Nancy Leue and James Brown.

Classmates Judged Ila Miller and August Krause to be best qualified as recipients of the medals awarded to the senior girl and the senior boy showing the best school spirit.

Ronald Anderson, president of the senior class, received the medal for the most prominent senior in school activities.

IN ADDITION, various departments of the high school chose the most outstanding student in the department to be the recipient of a medal. The awards are: agriculture, Donald Linneman; art, Mary Lou Sander; boys' athletics, Gordon Busse; girls' athletics, Kathryn Kraybill; commercial, Suzanne Behrens; dramatics, Adrienne Peterson; English, Nancy Hough; forensics, Nancy Weir; industrial arts, Louis Raef.

Journalism, Patti Boyles; Latin, Sallie Young; mathematics, David Kurtz; instrumental music, Constance Johnson; vocal music, Carol Faustlich; science, Richard Morrow; social science, Carol Lams; and Spanish, Betty Jean Milligan.

Parents of the honored seniors were special guests at the assembly.

FORMER MAIL CARRIER ILL

George L. Hughes of S. State rd., Arlington Heights, went to Hines hospital May 9, and will undergo an operation some time next week.

Mr. Hughes was a parcel post carrier for four years and a mail carrier for 10 years in Arlington Heights. He retired in 1944. His many friends wish for him a successful operation and speedy recovery.

Woman's club wins state honors

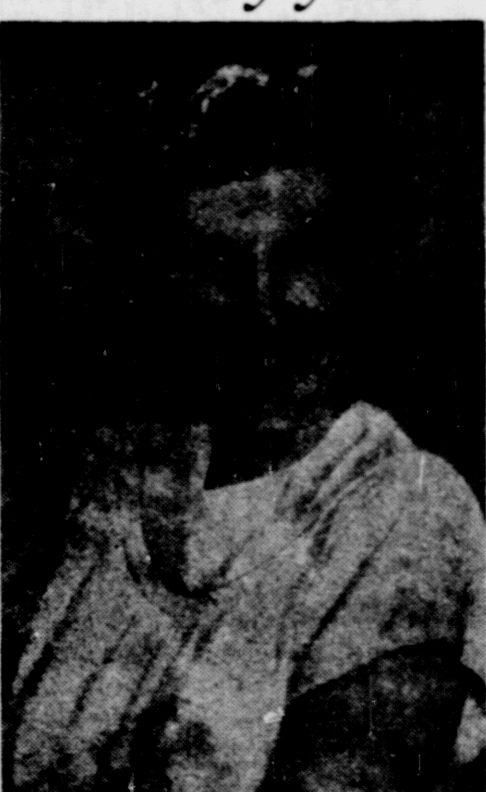

Arlington club has busy year

Arlington Heights Woman's Club last year engaged upon a 20 point Better Community Program for Arlington Heights which efforts won them recognition at the recent state convention of Illinois Woman's Clubs. Its efforts to make Arlington Heights a better place to live during 1949 will return dividends to the community in years to come. The 20 points were:

1. Instigating the library building project, which was started by them thru conferences with the library board and other civic organizations, leading to the calling of an election, and approval of bonds. The initial work was done by the club last fall and building operations will start soon.

2. Supported the idea of a town meeting to which all 1949 candidates were invited to appear and speak and prepared a printed circular setting forth their qualifications.

3. Supported elementary school

MRS. MILTON HAASE, new president of Arlington Heights Woman's Club under whose leadership it is expected that the club will continue its interest in community projects and national drives.

bond issue.

4. High school bond issue.
5. Chairman of the heart drive.
6. Chairman Cancer drive.
7. Chairman Polio drive.
8. 2-weeks scholarship to Egyptian Music Camp.
9. Sponsored lecture series.
10. Encouraged 100% vote at polls and registration.
11. Started Garden Study group.
12. Assisted in Youth Center drive.

13. Bore its share of cost of Xmas music broadcast.
14. Assisted Community Concert series.
15. Started American Citizenship study group.
16. Encouraged art in schools by display at high school.
17. Helped revive Community Council.

18. Donated \$75 for summer recreation program.

19. Stimulated good children's pictures for Saturday showings at movie house.

20. Promoted study program stimulating 150 local women to correspond with a like number abroad and in other parts of this country.

MRS. GEO. M. TUTTLE, who recently retired as president of Arlington Heights Woman's Club. The club's activity in the past two years can be largely attributed to her enthusiasm, which included the club's 20-point program in the "Better Community Growth" contest.

General Federation of Women's Clubs

National Award

presented to

Arlington Heights Woman's Club

in recognition of the contribution made to community improvement during 1949. As a participant in the Build a Better Community contest, sponsored by the General Federation of Women's Clubs, in cooperation with The Kroger Company, this Club's program and accomplishments are worthy of honorable mention.

Enslin Bohlfing

CHRISTIAN SCIENCE CHURCHES
The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 4, will be:

GOD THE ONLY CAUSE AND CREATOR

The Golden Text is:

"He is the former of all things; and Israel is the rod of his inheritance; The Lord of hosts is his name" (Jer. 10: 16).

Among the citations which comprise the Lesson-Sermon, the following are from the Bible:

"O Lord, how great are thy works! And thy thoughts are very deep. . . . Known unto God are all his works from the beginning of the world. . . . O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! . . . For of him, and through him, and to him, are all things; to whom be glory for ever" (Ps. 92: 5; Acts 15: 18; Rom. 11: 33, 36).

The Lesson-Sermon includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"CREATOR. Spirit; Mind; intelligence: the animating divine Principle of all that is real and good; self-existent Life, Truth, and Love; that which is perfect and eternal; the opposite of matter and evil, which have no Principle; God, who made all that was made and could not create an atom or an element the opposite of Himself. The universe reflects God. There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (pp. 583, 502).

ST. JOHN'S EVANGELICAL AND REFORMED CHURCH

"The King's Message," will be the theme of the pastor's sermon next Sunday at 9:15 and 10:45 a. m.

Holy Communion will be observed in the German service at 8:45 a. m. Registration Friday.

For the tour sponsored by the Dorcas Aid call either Mrs. Roland Bolte or Mrs. Edw. Nagel. The date, June 5, 12:15 p. m.

Graduation exercises for our eighth grade will take place Friday, June 9, 8 p. m. in the South school auditorium. The school picnic will be held June 10, all day.

"The church of the Lutheran Hour" welcomes you.

English springer-spaniel completes championship

Frejax Masterpiece of Elk Grove kennels, an English springer spaniel owned by Mr. and Mrs. A. W. Herweg of Oakton st., Arlington Heights, finished his championship within a few shows.

He took his first major June, 1949, at the Skokie Valley Kennel club show, 3 points; second major show May 14, 1950, at Waterloo, Ia., Best of Winners, 3 points; third major at Cedar Rapids, Ia., May 16, Best of Winners, 3 points, and fourth major show at Bettendorf, Ia., May 21, Best of Breed, 3 points.

May 27 he received Best of Breed at Lima, Ohio, 2 points, and he took Best of Breed and placed third in the sporting group, 1 point, at Portland, Ind., May 29. This completed his championship.

Diving Bell

The diving bell is one of the oldest inventions designed to help man work under water. Alexander the Great is said to have used some sort of diving bell in the 300's B.C. and Roger Bacon made a similar device about the middle of the 1200's A.D.

Developing listening skills is one of the most important tasks of teachers and parents, says Margery Lawrence, fifth grade teacher in the South school, Arlington Heights.

Critical listening is essential to doing a good job whether you are in the fifth grade or in a board of directors meeting. Understanding and following directions depend upon careful listening. In explaining a new concept in fractions, such as why improper fractions must be changed to mixed numbers, the child must not only hear and see, but must listen and think.

Riviera wins in Heights softball opener

by FRED BREHM

Riviera won a 15 to 3 decision over Klehms Sunday night to open the Arlington Heights softball season. Walks caused more damage than base hits as Riviera got 15 runs on 12 hits and Klehms pushed across 3 tallies on 5 safe blows.

Coming games

several authors on a Social Studies problem the children exchange information through oral reports. Critical listening is necessary by the child in forming conclusions.

Critical listening is essential to worthwhile use of leisure time. Before reading a story such as Kate Seredy's, The Good Master, to make sure that all children will notice, the high points are brought out by the teacher. After the reading the children in discussion point out likenesses in people the world over and "goblins" or traits within us that cause wars.

Critical listening is essential to doing a good job whether you are in the fifth grade or in a board of directors meeting. Understanding and following directions depend upon careful listening. In explaining a new concept in fractions, such as why improper fractions must be changed to mixed numbers, the child must not only hear and see, but must listen and think.

A series of junior historical novels, called "Land of the Free" series, for boys and girls from nine to fifteen, are being edited by Erick Berry, whose many fine books in the juvenile field are already well known. For the series, she has written and illustrated one book of her own, and the others are all by foremost contemporary authors of literature for young people, with illustrations by nationally known artists.

Each book is an exciting story about a distinct national group that came from another country to find freedom in the new land. Today, America is what those people of many nationalities have made it. Each group has brought its own important contribution.

The Arlington Heights Public Library now has five books in the series and expects to order more as they are published. The titles are: "Seven Beaver Skins," a story of the Dutch in New Amsterdam; "I Heard of a River," a story of the Germans in Pennsylvania; "The Sign of the Golden Fish," a story of the Cornish fishermen in Maine; "Song of the Pines," a story of Norwegian lumbering in Wisconsin; and "Tidewater Valley," a story of the Swiss in Oregon, each a superb story and a beautiful book.

If you'd like some light history "Dear Guest and Ghost," a humorous reading after a busy day, now book by Sylvia Dee. F. Leicester is the hero of this captivating novel. He was the wraith at Helmskoller's the year they lived on Staten Island. To Mrs. Helmskoller, that kind neighborly soul, he was clearly visible and he graciously solved all her weighty problems concerning her family, which consisted of her husband, a toothpaste salesman, and their two children—Thelma, 25, and a liar, and Stevie, a junior-grade wolf.

The situations are faintly reminiscent of the "Topper" tales by Thorne Smith, and the characters are warmly human—while Leicester is a charmer and it might be pretty nice to have a ghost like him around the house.

A delightful little book, "How To Guess Your Age," by Corey Ford, with introduction by Edward Streeter and illustrated by Guy Williams, will be found amusing by anyone, male or female, of certain or uncertain age.

"Slightly Cooler in the Suburbs" by C. B. Palmer will give you many a chuckle, as it gently spoofs and chides typical American suburban life.

Evelyn Barkins also dissects modern suburban family life in a hilarious manner, in her new book, "The Doctor Has a Fam-

These books are all on the rental shelf at the Arlington Heights Public Library.

Elk Grove Home Bureau

The Elk Grove Home Bureau meeting was held May 24, 8 p.m. at the home of Mrs. Elmer Rohling. Twenty members and one guest attended the meeting.

After the business meeting the major lesson, "Sauces to Complement the Meal," was presented by Mrs. John Wettersman and Mrs. Edwin Linneman. Recipes for a foundation white sauce and some variations were given to the members. The leaders, having made several sauces, served them to the group with the help of Mrs. Arthur Busse. Everyone enjoyed the lesson very much.

April 26 the Elk Grove Home Bureau enjoyed a tour to Chinatown. The group had their luncheon at Guey Sam's restaurant. A guide then conducted a tour showing the interesting places and shops of Chinatown. (ACD)

Keep Poultry Apart from Livestock

Recent investigations showing that chickens may become infected with bovine leptospirosis, a kidney disease, are cited by the American Veterinary Medical Association as "another good reason for raising poultry apart from other classes of farm livestock." Chickens which spread tuberculosis to hogs and hogs which spread erysipelas to turkeys are mentioned as other examples of the need of segregation.

Ideal for use in cars, trucks, boats, homes and airplanes against electrical, gasoline and oil fires. 1 qt. and 1½ qt. sizes.

Marionettes in Cole circus in Arlington Heights June 4

The band and the Sealion act are two of the feature attractions of the Cole Marionette Circus to be given at the North school, Arlington Heights, June 4. Arlington Heights Fire Department is sponsoring the circus, which will have three performances, 2:30, 4:30 and 8 p. m.

Remedial summer school registration June 10; begins June 19

Plans have now been completed for four week of remedial classes in the Arlington Heights public schools this summer.

The Summer Remedial Program will be carried on for four weeks, beginning with the week of June 19. Students may choose to enroll in classes dealing with arithmetic, reading, or spelling. Each class will meet one hour daily for instruction and all classes will be held during the morning. A fee of \$20 for the four-week period will be paid, in advance for each subject for which a child is enrolled.

Registration for this part of the summer program will be conducted Saturday, June 10, from 9 a. m. to 3:30 p. m. at the South school. Miss Martha Sapp, guidance director, who will have the general direction of this program, will handle the registrations. The week of June 12 will be used for testing and classifying the pupils enrolled, so that instruction may begin promptly June 19. All classes in this program will be conducted in classrooms in the South school.

This program will have no bearing upon retention or promotion, and in no case will a child's promotion depend upon his enrolling in the program. In general, retention is not recommended for children whose

Mrs. Mills' hobby aired on station WLS recently

Mrs. C. H. Mills of 205 Drury Lane, Arlington Heights, was the subject of an interesting talk Monday afternoon on radio station WLS at 3:45 p. m.

Enoch Squires of the WLS staff came out to Arlington Heights last week to interview Mrs. Mills and see her now famous collection of hand-made dolls. On his program, "Prairie Traveler," he described her character dolls in detail, as well as the processes involved in making them.

He told of her clever management of all kinds of materials such as chemically treated apples, wood, clothes pins, candles, bees wax, etc., used in fashioning the dolls.

Her pixies illustrating James Whitcomb Riley's poems were described as well as several other dolls.

Because of Mrs. Mills' talent and fascinating hobby, she has many speaking engagements. Her husband assists her a great deal in carrying out this unusual hobby.

scholastic deficiencies can be corrected by a four-week period of instruction. However, teachers' recommendations regarding the advisability of a pupil's participating in the program should be of value to parents.

Parents who returned the recent letter regarding this program are reminded that this was not a registration, and it will be necessary to take care of enrolling June 10.

95 students receive service certificates

Ninety-five students of Arlington Heights Township High School were presented with Student Service Certificates during the past week in recognition of their services.

Certificates were awarded for four fields of service, student guides, audiovisual services, librarians, and nurse's aides. The certificates to the student guides were presented by H. L. Slichtemeyer, administrative assistant.

Student guides serve for one hour each day by greeting and escorting visitors and strangers, running errands for the administration and faculty, and assisting in various ways. The following student guides were honored:

Donna Mills	Norinne Lams
Nancy Jo Tice	Carol Schnell
Rae Chidley	Peggy Sieburg
Gloria Hoth	Jean Brems
Lorraine Fischer	Margie Freeman
Shirley Dodge	Sue Behrens
Erne Fedeler	Patti Ryden
Arlys Nagel	Joyce Mitchell
Vedell Duenn	Carol Voss
Howard Schuetz	Virginia Koepfen
Darlene Koepke	Nan McCarty
Geraldine Moebling	Ruth Lauffer
Patricia Gieschner	Deborah Meyn
Patricia Bickell	John Horta
Eileen Oehring	Joan Groh
Nancy Weir	Joanne Simmons

IN ADDITION to serving as student guides, Donna Mills, Darlene Koepke, and Pat Gieschner have also assisted at the office switchboard and Jean Simmons has served as file clerk.

Nelson Lowry, faculty adviser, presented the certificates to the members of the Audio-Visual Club who serve the school by operating all projectors (16 mm., film slide, and opaque), public address systems, and the wire-recorder and the record-player. Members of the club receiving the award are:

Clark Harting	Bob Blohm
David Karstens	Ken Stacy
Phil Knoppel	Bob Martin
Bob Runge	Bob Haas
Bob Cumisford	Walter Scharring
Ken Wetendorf	Ken Freeman
Jim Brazelton	Arnold Calver
Don Gronert	Butsey Larson
Stanley Meyer	Bob Cruickshank
Bob Dalstrom	Dennis Straus
Ken Mersner	Bob Caliento
Leonard Ostrum	Carl Beigel

Mrs. Gertrude O'Connor, high school librarian, presented library service certificates to twenty-one student librarians who have assisted with filing, checking and detail work. Student librarians are:

Pat Gieschner	Joe Locascio
Diane Cumisford	Leonard Vogt
Erica Jung	Joan Bernthal
Barbara Ransdell	Marilyn Woss
Mary Ann Bist	Jean Smith
Natalie Hanley	Joan Nett
Eileen Tidd	Audrey Wahl
Pat Milligan	Grace Brocato
Joyce Hohnstuck	Edrene Schmidt
John Johnston	Mary Ann Csanadi
Joe Dister	

MRS. FLORENCE ELFIELD, adviser of the Nurse's Aides, presented service certificates to eighteen girls who have assisted in the nurse's room. These girls are all interested in nursing as a career. Nurse's Aides are:

Mary Lou Moskal	Shirley Busse
Arley Peters	Phyllis Freitag
Betty Proebstle	Carol Lams
Ruth Koepfer	Carol Skoog
Lois Hagen	Lois Goyke
Joan Goggin	Audrey Greineks
Carol Conroy	Lois Busse
JoAnn Schulze	Shirley Busse
Janet Stadel	Audrey Hamblen

Alvin Kulieke, faculty adviser of the Chemistry Club, awarded a certificate to David Kurtz for his efficiency as an assistant in the chemistry laboratory.

Two Heights boys to receive ranks of Eagle Scout June 2

Two Arlington Heights boys, Dick McAuliffe and Bob Cruickshank, will be honored by receiving the highest rank in Scout progress, that of Eagle Scout. They have qualified for this rank by passing Eagle Scout requirements of twenty-one merit badges.

Chief Scout Executive Stan Huntington, assisted by Asst. Scout Executive, Frank Griffin of the Northwest Suburban Council B. S. A., will confer this honor upon these boys at the First Troop Court of Honor held in Arlington Heights June 2 at 8 p. m. in the South school auditorium.

District Chairman, Quentin K. Ford, assisted by Neighborhood Commissioner, Ben Cochran, have arranged for the Scout Bridge Building ceremony, a very impressive pageant which will be inducted by Wally DeBur, district training chairman.

Cubmaster Mark L. Crevison of Cub Pack No. 232 will present The Webelos award to 19 Cub Scouts who have completed their Cubbing program and are advancing to Boy Scouts.

Three Eagle Scouts, former members of Troop 7, David Meineke, Richard Morrow, and

Dave Kurtz, will escort the Eagle candidate to the platform for the induction ceremonies followed by the parents.

Advancement Awards and Merit Badges will be presented to Scouts by Asst. Scout Executive, Frank Griffin, assisted by members of Troop committee.

This is also designated as Troop Charter night. District Chairman Ford will present charter to Floyd Burns, Institutional Representative for the Lions club, who sponsors Troop 7.

This Troop has a service dating back to April, 1926 and next year will celebrate its twenty-fifth anniversary. The Lions club is very proud of its Troop and has always been ready to give its support to "Youth, the Hope of Tomorrow." Special recognition will be given to Virgil Horath for his contribution to Scouting.

It is the earnest hope of the Scout committee that all those interested in the Advancement of the Scouting Program in Arlington Heights be present on this special occasion to honor these boys. Don't forget June 2, 8 p. m. South side school auditorium.

VFW carnival begins tonight, Thursday

Today, Thursday, is the beginning of the VFW carnival to be held for four days at the corner of Maple, Evergreen and Northwest highway in Mt. Prospect.

Tickets for the 16" television set are going fast, but may be purchased on the carnival grounds. Usual games will be on hand as well as special features to be offered nightly.

QUILT BOOTH managed by the VFW Auxiliary, will house a beautiful hand sewn quilt and will be taken home by some one Sunday night, June 4.

Four rides, including the whip, ferris wheel, merry-go-round and miniature train will be on the grounds for a choice selection of thrilling rides.

Refreshment booths will dot the carnival area and the usual carnival atmosphere will prevail.

Come early, stay late, and bring friends and neighbors for four full days of enjoyment for the entire family.

Sewing Susies meet

The Sewing Susies, a 4-H club formerly known as the Busy Beavers, met in their usual meeting place in the basement of the Faith Lutheran church May 26.

Miss Dorothy Dietrich, a junior 4-H club leader, spoke to the girls about "The Purpose and Ideas of 4-H Work." The girls are making skirts, dresses and suits.

Heights women invited to Mt. Prospect garden show this Saturday

Mrs. G. W. Williams, garden chairman of the Mt. Prospect Woman's Club, is extending an invitation to Arlington Heights residents to attend the Twelfth Annual Garden Show to be held at Central School, corner Main and Central, next Saturday from 2 to 9 p. m.

Although sponsored by the Woman's Club, all residents of Mt. Prospect participate in the exhibits of flowers, vegetables, house plants, flower arrangements, miniatures, table settings and junior exhibits.

The theme of this year's show is "In an Old Southern Garden." Among the staging effects are a lily pond, a full grown tree hung with Spanish moss, early New Orleans iron benches, picket fences and geraniums. The junior exhibit will have a Mistress Mary Garden and a Dutch Garden.

The exhibits will be shown in the auditorium while a tearoom in the basement cafeteria will provide barbecues, hot dogs, coffee, cake and soft drinks.

Tickets are 35 cents each. Proceeds will be turned over to the library board for equipment for the new library now under construction.

Kitchen Accidents

About one out of every five home accidents requiring hospitalization occurs in the kitchen. Burns and scalds make up more than a fourth of these mishaps while injuries are the most frequent. Junior, playing in the kitchen, often gets in on the accidents as well as his mother.

Wheeling Home Bureau

The Wheeling Unit of the Home Bureau met May 25 at the home of Mrs. Ed Grewe, 616 N. State rd. Mrs. Myrtle Scharringhausen and Mrs. Alice Runyon, assistant hostesses, served a delicious dessert.

Mesdames Kingsley, Ahmer, Anne Fabian, and Dorothy Dietrich, leaders and assistant leaders of the two 4-H clubs which are sponsored by the Wheeling Unit, were guests.

The major project for the afternoon, "Sauces for Meats, Vegetables and Desserts," was ably presented by Mrs. Laura Fritz and Mrs. Anne Fabian, who gave recipes, demonstrated and served small portions of meat with meat sauces and with white sauce flavored with herbs, parsley and pimiento. Also ice cream topped with butterscotch sauce.

As a result the entire Unit aspires to belie the quotation that "the French have one church and a thousand sauces, the Americans have a thousand churches and one sauce."—White. (AC)

your new telephone directory

with up-to-date

YELLOW PAGES

YOUR HANDY BUYING GUIDE
COMPLETE • EASY TO USE

Your new telephone directory is now being delivered! Its Yellow Pages are packed with helpful "where-to-find-it" facts—all conveniently classified to save you time and trouble. You'll find the Yellow Pages more valuable than

ever. They list dealers, products and services by the hundred—in fact, almost everything you need to run a home or business. Get in the habit of using the Yellow Pages. It's the quick, easy way to locate what you want.

Here are five big ways the Yellow Pages can help you

- 1 To find local dealers who sell nationally advertised services or trademarked products.
- 2 To find where to buy almost any product or service you need, including those that are unusual and hard to locate. It will help you, too, to locate dealers or services in your immediate neighborhood.
- 3 To find the address or telephone number when you

know the firm's name... or the name when you know only the address.

4 To find business or professional people with common surnames, like Jones or Smith. The Classified saves you time and helps you to avoid mistakes.

5 To find wholesalers or manufacturers when you want to buy in large quantities.

Look in the **YELLOW PAGES**
THE CLASSIFIED SECTION OF YOUR TELEPHONE DIRECTORY

ENJOY... These Advantages when You Pay By Check

- Safety? You're out nothing if you lose blank checks.
- Income tax record? Lists all deductions enabling you to save tax money.
- Inexpensive? Depending upon your balance, a checking account may not cost you a cent.
- Legal receipt? None better.

NEW NEIGHBORS IN THE CITY OF GOOD NEIGHBORS

Mr. and Mrs. J. W. Sutton
627 S. State rd.

In a spacious brick and lannon stone residence in Scarsdale at 627 S. State rd., live Mr. and Mrs. Sutton, recent newcomers to our town.

The Suttons moved into their attractively decorated 6-room home December 26 of last year. Prior to moving here they were living with Mrs. Sutton's parents in Des Plaines.

Mr. Sutton is a native of East Orange, N. J., and Mrs. Sutton was raised in Des Plaines. They recently lived for two years in West Palm Beach, Fla., but prefer the north and its seasonal variations to that of the sunshine state.

"Hobbies?" said Mrs. Sutton. "Why yes, I make a hobby of entering contests. Haven't had much luck so far, but I keep at it," she continued.

Mrs. Sutton worked on a newspaper at one time and has always been interested in writing. She subscribes to a magazine devoted to contests of all types and has entered many of them all over the country.

Mr. Sutton is an engineer em-

ployed with Travelers Insurance company of Chicago.

Mr. and Mrs. Frank Armfield Jr.
429 S. Highland ave.

From North Carolina Mr. and Mrs. Frank Armfield of 429 S. Highland made their first move to Chicago 8 years ago.

They moved into their new home in December of last year. It is a charming little brick home with lannon stone trim.

"We looked at houses in Chicago suburbs for a year and liked Arlington Heights the best," replied Mrs. Armfield.

"Everyone in Arlington Heights seems to be friendly," continued Mrs. Armfield. "It gives it that pleasant small town atmosphere—not just a suburb of Chicago."

Mr. Armfield is employed at the Merchandise Mart. Mrs. Armfield makes a hobby of music and reading. Gardening and housework are their combined hobby right now. Their lawn is beginning to show signs of life; they have planted several shrubs, one a rather unusual southern type.

\$325 profit made in Talent Teen show last Friday

Over 600 citizens filled the Arlington Heights high school gym last Friday evening to see the Des-Mount-Ari Talent Teens' show. "This Is It!"

The youngsters made a big hit with their audience and many of the spectators voiced the opinion that "such talent deserved a full house." After expenses were paid the troop netted a profit of \$325, which will go into a transportation fund, to enable them to continue entertaining at veteran's hospitals.

Mrs. J. M. Bosch, director of the troop, says that dates to play at five hospitals are already set. They performed at the State hospital in Chicago, Wednesday.

This Saturday they are scheduled to appear at Hines hospital; June 22, Elgin hospital; June 27, Downey Veteran's hospital; and June 28, Shriner's Children's hospital.

Besides these engagements the troop will appear at the American Legion carnival July 1 and 2; Chamber of Commerce Home Show, Arlington Heights, June 16-18; and tentative dates to appear in 4-H shows, both here and Tinley Park.

Six nurses to graduate from Palatine hospital

Six nurses will graduate from Palatine Community hospital Sunday, June 25. The commencement exercises will be held at Immanuel Lutheran church, Rev. Koester giving the address. The nurses are Esther Geist, Jeanne Engels, Cora Niemeyer and Lois Wilkie of Palatine; Shirley Whetstone, Des Plaines; Agnes Sterbenz, Barrington.

The nurses auxiliary will hold a dance in honor of the 1950 graduates at the Legion hall June 17. Proceeds will be used to purchase needed equipment. A well equipped hospital is of utmost benefit to a community and events arranged by the hospital auxiliary have been usually well attended. The dance should not be an exception.

New education wrinkle for use in Arlington Hi

A new wrinkle in education is soon to be used in the Arlington Heights Township high school; that of having the pupils work for local businessmen in conjunction with their interests in school.

The program was outlined to the Mt. Prospect Chamber of Commerce last week by LeRoy R. Knoepfel, principal of AHTHS.

The students will work during school hours for a probable total of 15 hours a week and they will be paid for this work says Mr. Knoepfel.

The program has been used successfully in some of the Chicago schools but this will be the first time that the system will be used in the suburbs.

Obituaries

Lydia M. Decker

Funeral services will be held Saturday at 2 p. m. for Miss Lydia M. Decker of Cary, Ill., at the funeral home of Oehler's funeral home, Rev. W. F. Kamphenkel will officiate. Interment Arlington Heights cemetery.

Miss Decker was born November 6, 1864, in Palatine. She died at the Arlington Heights Rest Home May 31.

Survivors include two nephews, John W. and Ralph E. Burkitt, and one niece, Mrs. Hazel A. Schmitz.

William Prochnow

Funeral services were held Wednesday for William Prochnow of Rand rd., Arlington Heights, at St. John's Evangelical and Reformed church, Arlington Heights, at 2 p. m. Rev. W. F. Kamphenkel officiated. Interment St. Paul's cemetery, Skokie.

Mr. Prochnow was born in Germany February 12, 1860. He came with his parents to the United States at the age of 13. The family settled first in Chicago and later moved to a farm near Skokie.

January 17, 1886, he married Miss Emily Pergande in Chicago. After their marriage the couple resided on a vegetable farm near Deerfield until 1923 when they moved to a farm north of Arlington Heights. They moved to their present home on Rand rd. in 1943.

Mr. Prochnow was a faithful member of St. John's Evangelical and Reformed church. He and his wife were married 64 years. He died at his home May 22 at the age of 90.

Survivors include his wife, Emily; four sons, William Jr., Alfred, Edwin and Albert; seven daughters, Mrs. Elsa Wolske, Mrs. Lillian Noesen, Mrs. Erna Clausen, Miss Emily Prochnow, Mrs. Elmer Kuehl, Mrs. Edna Krueger and Mrs. Esther Jerde; fourteen grandchildren; three great-grandchildren, and three sisters, Mrs. Bertha Wahl, Mrs. Augusta Scheuber, and Mrs. Minnie Hayden, all of Chicago.

Mrs. Emma Hipp

Funeral services were held Saturday, May 20, for Mrs. Emma E. Hipp of Milwaukee ave., Wheeling.

Mrs. Hipp was born November 4, 1892 in Michigan. She passed away Thursday, May 18, at the home of her daughter, Mrs. Bernice Day in Morton Grove, after a serious illness.

She had been a resident of Wheeling for many years and was well known to Wheeling residents.

She was the wife of the late William Hipp, and the mother of Leslie Kassei, Grover Kassei, Mrs. Bernice Day, Mrs. Genevieve Casanova, Mrs. Roberta Kromm, Mrs. Louise Dugger, Mrs. Hazel Kane and Elaine, William, and Frank Hipp.

Services were conducted at the Haben Funeral Home at 2:00 p. m. Saturday afternoon. Interment was at Wheeling cemetery.

Fred H. Gusewelle

Funeral services were held last Sunday for Fred Henry Gusewelle of 111 S. Bothwell st., Palatine, at the Tharp Funeral Home at 2 p. m. Rev. Glenn Gunn officiated. Interment Hillside cemetery.

Mr. Gusewelle was born December 23, 1875, in Palatine Township. He lived on the farm at Quintens rd., and W. Chicago ave., for 41 years, and in 1946 he retired from farming and sold his property. He came to live in the village at this time. Mr. Gusewelle died at home May 19 at the age of 74.

Survivors include his wife, Leila; one son, Fred G.; a granddaughter, Shirley; one brother, William, of Palatine; two nephews and one niece.

CARD OF THANKS

The kindness and sympathy of neighbors, friends and relatives in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts.

Louis Heimsoth and family.

IN MEMORIAM

In loving memory of our dear brother and uncle, Herman Schumann, who passed away one year ago, June 4, 1949.

God called him home, it was his will, But in our hearts He liveth still.

Mr. and Mrs. John Steil and Mr. and Mrs. Ray Steil (Cook)

FAVORITES

For FLAVOR

by MARILYN McLENNAN.

It's strawberry time again! Whether sugared and served with whipped cream, or packed in a luscious strawberry pie, or playing the major role in a creamy refrigerator dessert, these plump, red berries never fail to delight your family or guests.

Strawberry Dessert Roll is another way to serve these popular berries and an attractive occasion. The filling of whipped strawberry gelatin, whipped cream and sliced strawberries is spread and rolled in a thin layer of sponge cake. The remainder is spread on the outside of the roll and chilled in refrigerator before serving.

Strawberry Dessert Roll
4 eggs separated
1/2 cup sugar
1/2 teaspoon vanilla
3/4 cup cake flour
1/2 teaspoon salt
1 teaspoon baking powder
Beat the egg yolks until thick and lemon colored. Gradually add 1/4 cup of the sugar and the vanilla. Beat the egg whites until almost stiff and gradually

add the 1/2 cup sugar and beat until very stiff. Fold yolks into whites, then fold in the cake flour, salt and baking powder which have been sifted together.

Spread the batter evenly in a waxed paper lined 10x15 inch jelly-roll pan. Bake in moderate hot oven (375 degrees) 12 minutes, or until cake springs back when lightly touched.

Loosen edge of cake and turn onto towel sprinkled with confectioner's sugar. Peel off waxed paper, working quickly but carefully, so you won't tear cake. If the cake is a little crisp at the edge, trim side crusts with a very sharp knife or one with a sawtooth edge. While cake is still warm, lay a piece of waxed paper on it; roll cake quickly, with paper inside. Wrap in towel sprinkled with confectioner's sugar; cool on cake rack. When cool, unroll and spread with strawberry filling. Roll. Spread filling on outside of roll and chill several hours. Cut in slices to serve.

Strawberry Filling
Dissolve 1/2 pkg. strawberry gelatin in 1/2 cup boiling water. Add 1/4 cup cold water. Chill till syrupy, then beat fluffy. Fold in 1/2 cup whipped cream or 1/3 cup whipped evaporated milk and 1/2 cup sliced strawberries.

To lay cornerstone of Addolorata Villa Sunday

The laying of the cornerstone of Addolorata Villa, Wheeling, will take place June 4 at 4 p. m. This is a convalescent and rest home conducted by the Servite Sisters.

The location is Highway 83, McHenry rd., about two miles west of Wheeling and a quarter mile north of Highway 68, Dundee rd.

There will be social games and refreshments will be served. Everyone is invited to attend. (FB-4)

Girl Scout News

Brownie troop 23 of Arlington Heights will have a cook out next Saturday morning. The troop's leaders are Mrs. James Wood, Mrs. Palmer and Mrs. Edward Schumacher.

Last Friday night a pot luck farewell supper was given by Troop 3 for two of the girls who are graduating, Pauline Gehrke and Patsy Rascher. The event was held at the home of Mrs. Elroy Winkelman, one of the troop leaders, and she was assisted by Mrs. Charles Rehfeldt, troop leader. After the supper games were played, ending with a scavenger hunt in the Winkelman's back yard.

Last Legion square dance of season this Saturday

The last square dance until fall will be held by Arlington Heights Merle Guild Legion Post this Saturday evening, June 3, at Legion hall.

Legionnaire Bob Bishop will be present to do the calling and provide instruction for beginners.

Friends of the Legion and all members are invited to attend. A particular invitation is extended to all veterans of Arlington Heights and vicinity. Adequate refreshments are available. No admission charge.

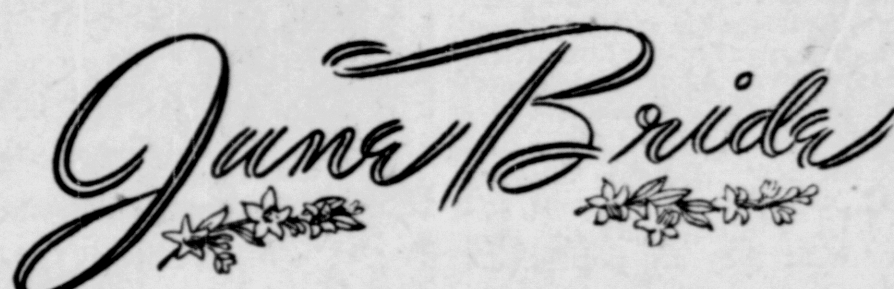

Laura Fritz named prom queen Monday

One of the highlights of last Monday night's Arlington Heights Township high school junior prom was the selection of the senior girl to reign as prom queen.

The choice of the queen was

up to the band who furnished the music for the evening. Honored as queen was Laura Fritz, daughter of Mr. and Mrs. Howard Fritz of Arlington Heights. Chosen as her attendants were Verdel Duenn, Joy Brynildsen, Joan Ibbottson, and Jane Rowles. Beautiful Medinah Country Club was the scene of this year's prom, which was the first to be held outside of the school.

Birthday Celebrations

Carol Fellingham, daughter of the Paul Fellinghams, celebrated her 10th birthday May 20. Bessie Wood, Sandy Hendricks, Kathy Kenyon, Leanne Witt, Rita Schumacher, and Carol's sister, Wendy, 6½ years old, helped her observe the event. There was a surprise in store for the little guests. Mrs. Fellingham designed and made a large Jack in the Box which was sitting in the middle of the floor, and each child pulled a gift out for herself. Many of these were suitable for Brownies or Scouts, of which most of the girls happen to be. Carol enjoyed her gifts, too, and later all had birthday cake, ice cream, etc.

Mrs. Jenny Peterson, grandmother of Mrs. Harold Witt, celebrated her 85th birthday Sunday at a tea given in her honor by her family and friends at the Josephine Morton Memorial Community House. This house was built in 1849, and donated at the time to the town for use by various clubs, and other social events. It is a large old mansion, full of tradition and beauty, and an ideal background for any social event. Mrs. Peterson was the belle of the party, and set the pace for all. Her fondest wish was granted in that a set of matched luggage was given her by her family, since she has trips in the offing for the next three months. She also received other beautiful remembrances. The Witt children, great grandchildren of Mrs. Peterson, presented her with an orchid to wear at the tea. Colored movies were taken, and an excellent time was enjoyed by all, especially Mrs. Jenny Peterson.

Mrs. E. W. Lindeman celebrated her birthday Sunday by giving a dinner at which Mr. and Mrs. George Lindeman Sr., father and mother-in-law, and Mr. and Mrs. George Lindeman Jr., brother and sister-in-law, all of Chicago, and her father and mother, Mr. and Mrs. P. Lindeman of Cranford, N. J., helped her observe the event.

House Guests
Allen Diggs, brother of Mrs. Frank Hubbard from Indiana, was a house guest of the family over Memorial Day. The guests of the William Frosts last week were Mr. and Mrs. Mack Bruce of Fort Dodge, Iowa.

Mrs. William J. Murphy Jr. of Worcester, Ohio, daughter of the William L. Johnsons, is home for a visit with her parents.

Guests of the James Rickards family from Friday until Wednesday of this week are Mr. and Mrs. Edward Thomas, of Wilmington, Del., aunt and uncle of Mr. Rickards.

Mrs. Floyd W. Clark of Wilmington, Del., sister-in-law of Mrs. Rickards, came today to spend a week with the family.

Wedding Anniversary
Mr. and Mrs. Harold Witt celebrated their 15th wedding anniversary on the 25th by having dinner at Wellers with their old friends, Mr. and Mrs. F. L. Travis of Des Plaines.

Cards
Mr. and Mrs. Harvey Thompson and Mr. and Mrs. Harry Schult were guests of Mrs. Schult's sister and husband, Mr. and Mrs. Henry Anthonisson of Highland Park Saturday evening, during which time cards were played and later refreshments served.

Clifford Troup is home after spending two weeks in Hines hospital.

Moving
The Kenneth Sundberg family are moving today back to Seattle, Wash. They will miss the many friends they have made in our friendly community during their stay here. They are a busy family and just returned from a vacation Friday evening. While gone they visited their friends in New York. Rev. Midboe and family, then motored on to Washington, D. C. They will drive to Seattle from here.

Entertaining
Mr. and Mrs. Leonard Garasha were hosts to the 8th grade graduating class of the Fox River Grove school Tuesday evening. There were 12 graduates.

One of the first questions after any fire—

Why not be sure that your property is properly and adequately insured.

Call this Agency To-day.

BEHRENS Insurance Agency
100 N. DUNTON
ARLINGTON HEIGHTS 3081

After taking them to Riverview where they spent the day, Mr. Garasha brought them home at 6 o'clock, where they all settled in the back yard and had fun roasting weiners. Afterwards they went into the house and played several games.

Miss Gertrude Jacobsen of Chicago was the dinner guest of the Frank Hubbards Saturday evening.

Mr. and Mrs. James Wood entertained the buyers and their families of the Photographic department of Montgomery Ward Saturday evening at an outdoor barbecue dinner.

The James Rickards gave one of their famous Eastern Shore, "garbage pail" seafood dinners Sunday evening. Their guests were Mr. and Mrs. Edward Thomas of Wilmington, Del., Mr. and Mrs. William Lenheim, Mr. and Mrs. Thomas Williams, Mr. and Mrs. Steve Murphy, Mr. and Mrs. Norman Dress, Mr. and Mrs. Thomas Oakes, and Mrs. Rickards' mother, Mrs. Kathryn Clark. Later they gathered in their "Pink Elephant" recreation room, where they sang and had a good time.

Mr. and Mrs. R. J. Ehrke entertained Mr. and Mrs. Frank Willis of Chicago at dinner on Sunday.

Miss Mary Kingston, Miss Mildred Oschman and Miss Evelyn Faye spent Sunday with the Ken Messengers. It was a gay day recalling old times and fun they had all had together at the office. All three and Mrs. Messenger formerly worked together in the same office, where they are still employed.

Rev. Burns resigns as pastor of Bible church

Rev. Ralph Burns has resigned his position as pastor of the Prospect Heights Bible church and will preach his farewell message this Sunday, June 4.

Mr. Burns came to the church as a student pastor from Wheaton college in December, 1945. He assumed the duty of full-time pastor in October, 1947.

Since he came here the Bible church has increased its financial budget, missionary budget and membership. The ground-work has been laid and plans made for a new church building. The major portion of funds for the new church has already been raised as the church has on hand about 75% of the money needed for a new building.

The church and Sunday school also have strong leadership and excellent organization.

Mr. Burns will leave for Pennsylvania June 3 and will return with his family the latter part of June. He will preach in Worthington, Pa., June 11 and 12.

Arlington Crest

Clean up week starts June 4 in Arlington Crest. It has been requested that the residents "dig in," and have their "surplus" ready for pickup by Laseke.

Mrs. I. Raven of Chicago is with the Alex Gorey family, and will be here for the summer. She is the mother of Mrs. Alex Gorey.

Feted
Mrs. Kenneth Wessling gave a "morning coffee" Saturday morning in honor of Mrs. Edward Lyon, who, with her husband, is leaving for Dayton, Ohio, this week. There were 21 women present, and a farewell gift was presented her.

Families of Sherwood gathered Monday night in the yard of Mr. and Mrs. Leo Hanson at a barbecue to be given in honor of Mr. and Mrs. Edward Lyon, who have sold their home in Sherwood and are moving to Dayton, Ohio, this week. There will also be dancing in the garage of the Hansons.

Graduation exercises held at Wilson school

Graduation exercises were held in the Wilson school house on Palatine rd. the evening of May 24 for Mary Kingsly and Phyllis Erickson.

Harold Best, president of the school board, gave the welcome address, and Mr. Bollman, assistant superintendent of Cook County Rural schools, was the speaker. Rev. C. Victor Brown gave the invocation and benediction.

The children put on an excellent program and the school was decorated with palms and baskets of flowers donated by Sellmer Flower Shop.

Special awards were presented by Mr. Best, Bonnie and Ronnie Schwartz received awards for perfect attendance.

Members of the reading circle (those who read 9 or more books in addition to the regular quota during the school year) who received awards were: Mary Kingsly, Fred Wemlinger, Mavis Prehm, Raymond Miller, Bonnie Schwartz, Andrea Lenski, Wayne Gieske and Ronnie Thompson.

Achievement awards were presented to Mary Kingsly, Eileen Sundquist, Fred Wemlinger, Phyllis Erickson, Hazel Rickert, Patricia Boyd, Mavis Prehm, Raymond Miller, Bonnie Schwartz, Andrea Lenski, Wayne Gieske and Ronnie Thompson.

Male Robin
The male robin takes little part in the nest-building or incubation of the eggs. Once the young are hatched, however, it takes charge of them while the mother bird busies herself hatching a second brood.

Presbyterians to hold all-church picnic June 10

The First Presbyterian church of Arlington Heights expects to have one of the biggest outings in its history on the occasion of its all-church picnic which is scheduled for June 10 at Elk Grove. The program begins at 1:30 p. m. and concludes at 5:30.

Highlights of the picnic schedule include mystery contests, field events for boys and girls and men and women of all ages, and other assorted entertainment climaxed by a picnic supper at 5 o'clock.

Arrangements are in charge of a committee comprised of Laurence Smith, Dawn Niemeyer, Mrs. Andrew Sim, Mrs. W. N. Walton, Frank Armfield, Douglas Anderson, Perry Thomas, Edward Bastedo and David Zimmerman.

Any church or Sunday school member desiring transportation to and from the picnic are asked to call the church office any time before the picnic date. Transportation will be arranged for all.

Book review at Faith

A book review will be given by Mrs. Harry Hoppe at Faith Lutheran church, Arlington Heights, June 2. The time is 8:15 p. m.

Refreshments will be served following the review. Donation 75 cents.

 - 27—Nurse's club quilting bee at home of Mrs. Lester McAuliffe
 - 28—Smorgasbord supper given by Friendly Circle of St. John's Evangelical and Reformed church, 5-7 p. m., at church.

Elizabeth Coy, Edward Golien exchange vows

Community Camera

St. James Catholic church was the scene of the recent wedding of Elizabeth Catherine Coy, daughter of Mr. and Mrs. Edward Coy of Arlington Heights, to Edwin V. Golien of Mason City, Ia.

Father Rosemeyer officiated at the 10 a. m. ceremony which took place May 20. Sister Amabilia was the organist and the school children's choir sang the mass. Three solos were presented by Joseph Cuervo, who sang "Ave Maria," "Panis Angelicus," and "On This Day Oh Beautiful Mother." The church was decorated with snapdragons and calla lilies.

The bride wore a white organdy gown over taffeta, fastened with a high neckline, Peter Pan collar and sweeping train. She carried roses and stephanotis on a prayer book. A Juliet cap held her finger-tip veil in place.

The maid of honor, Mrs. Virginia Schinkowsky, sister of the

bride, wore a Nile green organdy gown and carried a bouquet of yellow and purple tulips. The bridesmaids were Mrs. Geraldine Peskusi, sister of the bride, and Miss Shirley Sander. Their gowns were also of Nile green organdy and they carried bouquets of purple tulips. All attendants wore picture hats to match their gowns.

Best man for the groom was James Peskusi, and the ushers were William Schinkowsky and Edward Coy Jr., brother of the bride.

A bridal dinner was given at the bride's home for the family, and a reception for 150 guests was held in the evening at the American Legion Home.

The newlyweds will return from their wedding trip May 30 and will make their home in Des Plaines.

Out-of-town guests from Mason City, Ia., Pierz, Minn., Chicago and nearby towns attended the wedding.

Former Heights girl wed recently in Marengo

Baskets of lilacs, ferns and candelabra formed the setting for the recent wedding of Miss Delores Geraldine Preuss, daughter of Mr. and Mrs. Theodore Preuss of Marengo, Ill., formerly of Arlington Heights, to Whitney L. Dobbertin, son of Mr. and Mrs. R. J. Dobbertin of Chicago.

The 6 o'clock ceremony took place at the Zion Lutheran church in Marengo with Rev. W. C. Schaefer officiating. Ellen Haak, vibraphonist from La-Grange, played the Wedding March and the children's choir, under the direction of the bride's father, sang "God My Shepherd Walks Beside Me" and "Take Thou My Hands and Lead Me." Each pew in the church was decorated with a nosegay of lilacs and white ribbon.

The bride's gown was of white nylon satin fashioned with an off-the-shoulder neckline and a satin bertha trimmed with chantilly lace and seed pearls. The sleeves and the full skirt of the gown were also trimmed in lace. The bride wore a long white veil trimmed with silk lace from her mother's veil, fastened to a crown of lace scallops and orange blossoms. She carried a bouquet of white roses and lily of the valley with a white orchid in the center.

The maid of honor, Arlene Renn, former classmate of the bride at Luther Institute, wore a pale pink satin gown with a nylon marquisette yoke and nylon marquisette overskirt, and a bustle back of satin.

The bridesmaids, Sara Kaste of Addison, and Charlene Nordbrock and Lillie Dobbertin, both of Franklin Park, wore aqua gowns fashioned similar to the maid of honor's. All attendants carried bouquets of white lilacs and pink rosebuds and wore headpieces of the same flowers. They also wore gold and rhinestone necklaces and earrings, gifts from the bride.

Bernice Ruth Stietz and Donna Lee Dobbertin were flower girls. They wore pink satin gowns with a round neckline of ruffled satin and marquisette and a marquisette overskirt with a satin bow in the back. The girls carried baskets of white lilacs and pink rosebuds and wore single strands of pearls, a gift from the bride.

Best man for the groom was his brother, Robert Dobbertin. The ushers were Arthur and Norbert Preuss, brothers of the bride, and Frank Nieman of Melrose Park.

A reception was held immed-

ately following the ceremony at the Lutheran school for 200 guests.

After a week's honeymoon at the Wisconsin Dells the newlyweds will be at home in Chicago after June 3.

Methodist WSCS to hold spring breakfast June 6

The Women's Society of the First Methodist church of Arlington Heights will hold their spring breakfast at the church June 6 at 10 a. m.

Following the breakfast Mrs. Charles Kule will review the book "Never Dies the Dream," by Margaret Landon. There will be special music.

Members and friends are invited to attend.

Vacation Bible school at Presbyterian church

Excellent plans are being made by a competent staff for the Vacation Bible school to be held for two weeks beginning June 12 at the Presbyterian church, Arlington Heights. The school will run from 9 to 11:30 each morning, Monday through Friday.

There will be two departments. The kindergarten department for children four and five years of age, with Mrs. Robert Hawley, superintendent. The primary department will include the children who have just completed the first, second and third grades in the public school. Mrs. Frank Brodman is superintendent of this department.

St. Peter Mother's club to hold meeting Friday

The Mother's club of St. Peter Lutheran church, Arlington Heights, will meet Friday at 8 p. m. at the school.

Following the meeting the parents will have an opportunity to talk to the teachers regarding the results of the achievement tests taken by their children.

Engagement announced

Mr. and Mrs. Leonard A. McEwen of Russell, Ontario, Canada, have announced the engagement of their daughter, Margaret, to Lorne Atwood Cameron Jr., son of Mr. and Mrs. Cameron of Mt. Prospect.

The wedding will take place June 14 at 5:30 p. m. at Timothy Eaton Memorial church, Toronto, Canada.

Couple engaged, set July wedding date

Mr. and Mrs. Charles E. Jackson of Arlington Heights announce the engagement of their daughter, Lorraine Mildred, to George Nathan Phillips of San Diego, Calif. Mr. Phillips is the son of Mrs. Avery Phillips of Burnside, Iowa.

At the present time both are seniors at Bob Jones university in Greenville, S. C. Mr. Phillips is a ministerial student and Miss Jackson was graduated May 31 with a primary concentration in Christian Education.

Mr. Phillips, who is completing his four year college education in three years time, will fulfill his requirements by September.

The wedding will be held in the Northwest Suburbs Bible church, Palatine, July 29.

Miss Diane Lewinski is bride of John M. Otzen

There is an old saying, "Happy is the bride that the sun shines on!" It was such a day for the wedding of Diane Lewinski, daughter of Mr. and Mrs. E. J. Lewinski, 1015 N. Patton ave., to John M. Otzen, son of Mr. and Mrs. John L. Otzen, 500 Fairview ave., both families of Arlington Heights.

The ceremony took place at the First Methodist church at 4:30 in the afternoon with Rev. Milo J. Vondracek officiating. Jack Everett played the organ, and white snapdragons and white candles on the altar formed the setting for the wedding.

The bride wore a gown of French blue, imported swiss organdy, and carried a bouquet of white orchids and stephanotis. Her matron of honor was Mrs. William Shap Jr., of Chicago, a sorority sister and former classmate of the bride's at Stephens college. She wore a melon-colored

organdy gown and carried Chinese blue iris with stephanotis.

The best man was Donald Harpham of Lockport, Ill., fraternity brother and former classmate of John's from Beloit college.

The groom's mother wore a navy print gown with navy accessories and an orchid corsage. The bride's mother wore delft blue shantung with an orchid corsage and navy accessories.

After the ceremony a dinner was held at the Sky Crest Country club for members of the wedding party and the families. The newlyweds left on a wedding trip to the Smokies, where they will spend a week in Gatlinburg, Tenn., and will then drive to New Orleans. They plan to be gone about two weeks. On their return they will make their home with Diane's parents until their home is completed.

High school yearbook distributed to students

Monday, May 29, brought to a climax many long months of hard work and anxious anticipation at the Arlington Heights high school. It was "Heights Day."

The production of the 1950 Heights started last fall with the announcement of a very capable and carefully selected staff. Under the able leadership of editor-in-chief, Jane Rowles, and assistant editors Nancy McCarty and David Meineke, work on the book began the opening day of school.

THERE WERE many obstacles to be overcome. First and foremost was the planning and taking of the some 500 pictures which appear in the book. Donald Knapp is responsible for most of these fine photographs.

Then there were over 100 write-ups, one for every activity and club in school, to be assigned and written. The printing and engraving dummies had to be planned and a theme and a cover decided upon.

Engraving deadlines of February and March seemed ages away and the time element was a slight factor, at first. But as December and January rolled by, deadlines were all the editors a'e and slept as they realized that time was now of the essence. The pictures had been taken and the write-ups written, but then began the enormous task of arranging and pasting them in place. Everyone on the editorial staff was working feverishly with rulers, pencils and rubber cement, while the business staff was scurrying about adding many new names to the already long list of gracious patrons.

Proof readers and linotype operators at Paddock Publications worked extra long hours correcting copy and setting type.

FINALLY, the pages fell into their pre-arranged places and on March 1 the first copy was sent to the printers, Paddock Publications. The hours of work and

anxiety were at an end, and another Heights had taken its place as a chronicle of the 1950 school year.

Rev. & Mrs. Runge observe golden wedding anniversary

Community Camera

May 20 was the golden wedding anniversary of Pastor and Mrs. Ernest Runge of Palatine. Rev. Runge and Doris Kammeyer were married May 20, 1900. Pastor Biltz performed the ceremony in St. Paul's Lutheran church at Concordia, Mo.

Pastor Runge's first congregation was at Ernestville, Mo., from 1899 to 1907. From 1907 to 1927 he was at Blackburn, Mo. Pastor Runge served St. John's congregation near Lohman, Mo., from 1927 to 1944. Since his retirement in May 1944, he and his wife moved to Palatine where he is assisting Pastor Koester at Immanuel congrega-

tion. All of their fourteen children could not attend the celebration. However, two of them were present: Erica, of Elmhurst, and Roland, of Palatine. Other guests at the dinner Saturday evening were Miss Luella Spitzack of River Grove, Mr. and Mrs. Mel Carino and daughter, Katherine, of Maywood. Miss Joyce Sander of Northfield, and Miss Frances Snell and Miss Julie Runge of Palatine. Pastor and Mrs. Runge received many beautiful cards, lovely flowers and other thoughtful gifts, all of which they appreciated very much.

Champions celebrate

The Rix Builders team consisting of Ralph Sass, Bob Lehn, Dan Krebsbach, Art Bates and Charles Rapp, champions of the Sportsman's Thursday night bowling league, officially closed their season last Saturday night by entertaining their wives at a dinner at Behm's in Wheeling. After the dinner the group went to the home of Mr. and Mrs. Bates for cards.

Entertained

Mr. and Mrs. Max Hokanson and two daughters from Chicago enjoyed a picnic supper at the home of Mr. and Mrs. Walter Edelblute Tuesday.

Mr. and Mrs. John Bahr and family and Mrs. Christine Bahr of Chicago had Sunday night supper at the home of Mr. and Mrs. Al Bahr.

Mr. and Mrs. Bill Stasko and children of Eagle, Wis., visited Mr. and Mrs. Walter Edelblute Monday afternoon.

On house

Mr. and Mrs. Roger Grant, newlyweds, returned recently from a two weeks honeymoon spent in Michigan and Canada and held an open house at their home, 209 S. Chestnut, for about 60 relatives and friends, Sunday.

Miss Jane Mahin and her mother have moved into their new home in Arlington Park.

Carl Skoog Jr. was home last week end from DeKalb.

George Hieber and his son went on a fishing trip to northern Minnesota last week.

To attend graduation

Mr. and Mrs. Raul Peeters and Mrs. Clara Boehm left Wednesday to attend graduation exercises at the University of Georgia at Athens which will be held Monday. The Peeters' son, Donald, will receive his B.A. degree in Journalism at this time. He will return to Arlington Heights with his parents.

Joan Unger returned home Monday from William Woods college.

Irene Russell has returned from the hospital and is recuperating at home.

To be missionaries

Miss Lorraine Jackson and her fiancé, George N. Phillips of San Diego, Calif., together with 17 other students of Bob Jones University, attended the 60th Anniversary Conference of the Evangelical Alliance Mission Board, formerly known as the Scandinavian Alliance Mission, for the purpose of giving their testimony as the final acceptance as candidates to be missionaries to Japan. They were given the go-ahead sign, and plan to leave for Japan in February, 1951.

30th day celebrations

Danny Folkman's fourth birthday was Saturday and he celebrated the event, Friday night at a party for his family and friends.

Sandy Schroeder, daughter of Mr. and Mrs. Walter Schroeder Jr., celebrated her fourth birthday Saturday afternoon. Thirteen children and six grown-ups helped her observe the event.

Loves hospital

Miss Taps Hines was unable to return from Evanston hospital Friday as she expected to, but did leave Tuesday to go to the home of her sister until next Friday when they will make a trip to the home of her parents in Leto, Ind., where she will recuperate.

Mr. and Mrs. George Naughton and daughter, Kathy, and Mr. and Mrs. William Kopplin and sons, Billy, Bobby and ohnny, spent the holiday week end at the cottage of Mr. and Mrs. Naughton in Michigan.

Last Monday several friends and neighbors helped Kathleen Jonze celebrate at a birthday party given in honor of her seventh birthday.

Visiting here

Ronald Raichert of Los Angeles, Calif., is enjoying a vacation here, visiting in the home of his on Edward Raichert. Next week he and his son expect to go a lot of fishing while spending the week at Land O' Lakes, Wis.

Mr. and Mrs. Arthur Cole have moved into their new home at 751 S. Belmont.

Mrs. Ruth Waldbillig entertained eight of the players of the Village Theatre for two tables of bridge Monday evening.

o vacation in the West

Mr. and Mrs. Nels Martinson of Chicago will stay at the home of Mr. and Mrs. Herbert Olson while the Olsons are on their vacation touring the west. Some of the places they expect to visit are Yellowstone and Glacier National Parks, and Vancouver and Spokane, Wash. The Olsons expect to leave June 9 and will be gone a month.

Mr. and Mrs. Glen Benson entertained Mr. Benson's niece from New Jersey last week.

Saturday eight relatives stopped at the home of Mr. and Mrs. George Pfingsten for lunch on their way to the funeral of Mr. and Mrs. Pfingsten's sister-in-law. The eight relatives were from Madison, Wis. Mrs. Cecelia Dueball was a guest in the home of Mr. and Mrs. Adolph Dueball Friday evening.

o take bicycle trip

Ronald Wiegand, who is a sophomore at MIT, will leave Monday from Boston with a friend and will take a train up to the wilds of Maine. From there they will take a 10-day bicycle trip through Maine and down the coast to Boston. The boys expect to be back in time to start summer school at MIT June 12.

Anita Allen and Richard Ross take wedding vows

Richard Ross of Mt. Prospect took as his bride Miss Anita Allen, daughter of Mr. and Mrs. P. N. Allen of 30 S. Mitchell, Arlington Heights, May 27. The groom is the son of Mr. and Mrs. P. W. Ross of 21 S. Owen st., Mt. Prospect.

Rev. C. Victor Brown officiated at the ceremony which took place at the South church, Community Baptist, in Mt. Prospect. The soloist was Jeanne Campbell and the organist was Rose Marie Schut. Church decorations included palms, ferns, lilies, carnations and snapdragons.

A garden reception was held at the home of the bride's parents for 150 guests immediately following the ceremony.

The bride wore a white satin gown fashioned with a round neckline and net yoke with gathering edging the yoke, long sleeves, a full skirt and a long train. A tiara of pearls held her finger-tip veil in place. She carried a cluster of white orchids and lily of the valley on a white Bible.

Rosita Allen, sister of the bride, was maid of honor. She wore a peach nylon off-the-

shoulder ankle-length gown with matching mitts and carried a bouquet of baby iris. Her headpiece was fashioned of the same flowers.

The bridesmaids were Roberta Mott of Harvey, Ill., Joyce Nangle of DeKalb, Mary Lou Haemker of Arlington Heights and Helen Olson of Chicago.

They wore green nylon gowns with matching mitts and carried bouquets of baby iris and lily of the valley. Their headpieces were of the same flowers.

Best man for the groom was David Heller of Arlington Heights. The ushers were Bud Schiller, Tom Coleman and Bob Dieball, all of Arlington Heights, and Tom Fleming of Chicago.

The bride's mother wore a light blue dress with a light blue picture hat and a white orchid, while the groom's mother wore a black and white print dress with a white orchid corsage. Among the out-of-town guests was Miss Jeanne Campbell from Scotland, who was soloist for the wedding.

After a wedding trip to northern Wisconsin, the newlyweds will be home at 30 S. Mitchell, Arlington Heights, June 3.

Stork Feathers

Pamela Marie is the name chosen for the daughter of S. Sgt. Harris Dennis Charles, US AF, and Mrs. Charles of Arlington Heights. The baby was born recently at Great Lakes Naval Training Station hospital for Dependents Care.

A children's drama festival, produced and acted by the nation's foremost theatrical companies, promises adventure and enchantment for young timers visiting the 1950 Chicago Fair.

A theatre, designed, built and decorated for a young audience, will have its premiere June 24, opening day of the Exposition. Across its magical stage legendary heroes and heroines will come to life in a series of plays from children's best loved literature.

The project features such companies as Goodman Memorial Theatre, National Youth Theatre and Children's World Theatre. "Tom Sawyer," adapted by Louise Dale Spoor, and "Little Red Riding Hood," dramatized by Charlotte B. Chorpennig, open the festival on June 24.

CIRCLING THE TOWN

BY PHYLLIS KNIGHT

"Rain, rain stay away, don't come on a holiday" - wished the residents of Arlington Heights on Memorial Day, and for once the weather man was wrong in his prediction of showers, and they got their wish.

The parade and ceremonies afterwards in Memorial park were held in just the right atmosphere - pleasant

and not too hot for either the marchers or those who watched them pass. The assembled crowd in the park stood comfortably under the shade trees to listen to the address by Col. Robert Bowen of the Marines.

Probably the most impressive part of any Memorial Day program is the playing of the wreaths and the playing of Taps with the answer coming from a distance; and it was no exception this year.

For the rest of the day, the gardeners battled the picknickers to a draw, with those who were "catching up" as if one ever could-on the yard work perhaps having a slight edge. There were many, however, who headed for the forest preserves laden with picnic lunches.

One thing is certain, though, all of Arlington Heights spent this Memorial Day outdoors, with only an occasional car parked toward the radio to see how the Cubs and Sox were doing and how the ill-fated 500-mile race was coming out. And those who didn't have tans on Wednesday were at least mighty pink for their efforts.

On the right track

It seems that every one co-operated to help make the benefit track meet for William Creamer a successful last Thursday night-except, this time, the weather man. Contributions in the form of ticket sales exceeded expectations, and so did the clubs special attractions.

The track men themselves, representing Niles, Leyden, Palatine and Crystal Lake as well as Arlington Heights, ran themselves ragged in the freezing cold to give the fans a good show. As was expected, Arlington Heights ran off with the trophy-itself donated by the manufacturer - which will be added to an already large collection. Individual winners were awarded ribbons as well.

Especially good marks were registered in the mile run, the 220 yard dash and the broad jump, the latter two by the local fish, Gordon Busse, who concluded his high school competition at this meet. Busse picked up four blue ribbons personally, winning the 100, 220, broad jump and anchoring the victorious relay team.

Because of the inclement weather-the sudden chill after the day's heat-the crowd was disappointing, though, from small. It was too bad more didn't feel up to braving the elements to see a fine meet and how well sports events can be run off under the excellent lights on the Arlington field.

A goodly contingent of followers seemed to be present from all five schools as witness the cheering for the representatives of each school. Palatine and Crystal Lake especially brought along large rooting sections, attesting to the popularity of Bill Creamer as well as of their track teams.

With this spontaneous demonstration of affection for Bill Creamer and the fine contributions go the good wishes of the entire village.

People are talking about... Commencements. With June

here, graduations can't be far off, and there's hardly a family without a member or at least a good friend in either the elementary or high school graduating classes. The tremendous size of the classes-which, we are told, is only the beginning-certainly is a big indication of how this town has grown.

Legion to hold two day anti-subversive seminar

Outstanding lecturers will be in attendance during the two day counter-subversive Seminar, sponsored by the American Legion, Department of Illinois, June 3 and 4 at the Sherman hotel, Chicago.

Today the whole world is an incoherent tumult of confused, fanatic doctrines which are hostile to the American creed. The Legion hopes that all American citizens-native or naturalized, will attend the American Legion Seminar and learn the truth about the infiltration of Communism into the United States.

Nationally known speakers and commentators will occupy the platform, during the two day Seminar: Robert F. Hurligh, WGN News director and Mutual Broadcasting System news commentator. Noted for his bold exposure of Communist threats to world peace and security, and his defense of the principles of American democracy, Paul Voronoff, Russian-born, now an American citizen. Educated at Moscow University. He will reveal first hand truths and facts about life behind the iron curtain. Walter E. Wiles, former assistant United States Attorney.

Mr. Wiles possesses a tremendous knowledge of American History. Federal criminal law, and what can be done to combat subversion, sedition and treason. Frank Hughes, editorial writer for the Chicago Tribune, and author of the recently published "Prejudice and the Press," a comprehensive analysis of Communist influence upon our school system generally. Col. Jos. Triner, served in WW I and WW II: Army, Navy, Secret Service and Military Intelligence. President, Czechoslovak Society of America. Col. Triner will reveal the facts of the sufferings of the millions under Communist rule in satellite Czechoslovakia.

Representation must be certified in advance. Address all requests for registration to the American Legion, Anti-Subversive Committee, 343 S. Dearborn

Rob Roy Ladies golf league to start Thursday

Rob Roy Golf League will begin regular play this Thursday, June 1st at the clubhouse near Prospect Heights.

The sponsors for this league are as follows: Kruse's Tavern, Arlington Bowling Lanes, The Snack Bar, Prospect Heights Appliances, Smith & Dawson, Prospect Heights Pharmacy, Michalis IGA Store, Lamb's Service Station, Prospect Heights Hardware, Park Ridge Shop and Sock, Simson's and Martin's Insurance.

FRIDAY, JUNE 2, 1950

PAGE SEVEN

Harry Schoppes, veteran merchants to celebrate golden wedding June 7

The Harry Schoppes of Palatine will celebrate their golden wedding on Wednesday, June 7 when they will entertain the family and a few friends at a golden wedding dinner at the Pantry in Park Ridge.

The Schoppes who have been in the general merchandise business in Palatine for the entire fifty years are among the best known families in northwestern Cook County and their circle of friends and acquaintances are legion.

Mr. and Mrs. Schoppes will hold an open house on Sunday, June 4th from 2 to 5 and 7 to 9 at which time it is expected that old friends and associates from miles around will drop in to pay their respects to the happy couple.

For over fifty years the Schoppes store has been doing business at the same location, Slade and Brockway sts., Palatine, and during that over half a century the Schoppes have seen many changes in the community and in the store business.

From the little country town of fifty years ago to the busy

suburb of today, from a farming community to an urban center, the Schoppes have seen the transformation and have been a vital part of the life of the community.

Thus this golden wedding celebration is not merely a golden wedding but the fiftieth anniversary of the Schoppes mercantile enterprise.

The golden wedding of Harry and Molly Schoppes marks the third such event in the Schoppes family that has been celebrated during the last few years.

Harry Schoppes was born on the old Schoppes farmstead near Deer Grove while Molly was born in Chicago but came to Palatine as a little girl with her parents, Mr. and Mrs. Flury who operated a bakery on the present site of the Palatine National Bank.

This entire community joins in extending to the Schoppes their heartiest congratulations upon the occasion of their golden wedding and upon fifty years of serving the needs of the community in such a friendly and neighborly fashion at their general store.

Proceeds from VFW carnival, July 26-30, to go toward club house

Stars of stage and radio fame have been engaged to entertain at the forthcoming Veterans of Foreign Wars festival, which is slated for July 26 to 30, in Arlington Heights.

This show, according to Post heads, is to be one of the finest programs ever developed in the Northwest suburbs. A mammoth parade will climax the show, and will feature top drum and bugle corps, which will compete for honors at the end of the parade.

All funds derived from this year's show, which will also feature a 1950 Buick, four door sedan, will be used for the Post's proposed club house to be built in the near future.

Summer recreation program to start Monday, June 12

A full recreation program at Arlington Recreation Park is being planned by Russell Attis, who will be director in charge. The swim instructor is Dave Allen of Northwestern university. Program details will be published next week.

Ed Wahl has been president of the park board since April 15. "I did not even know it until last week," Mrs. Wahl told a reporter who asked why the press had not been informed of his election. Mr. Wahl is in New York.

Walter Kroeber, retiring president, said that the present board has decided to rotate the presidency. That is why "he is out and Wahl is in."

At St. Mary-of-the-Woods

Miss Gloria Jorgensen, daughter of Mr. and Mrs. George E. Jorgensen, 624 N. Haddon ave., Arlington Heights, will receive the bachelor of arts degree at the 109th Commencement exercises of Saint Mary-of-the-Woods college, Saint Mary-of-the-Woods, Ind., June 6.

Miss Jorgensen, a graduate of Arlington Heights high school, did her major work in journalism, with a minor in history. She served as president of the press club and associate editor of Aurora, the Commencement address will be given by Dr. Willis D. Nutting, professor of history at the University of Notre Dame.

The baccalaureate address to the graduates will be given June 4, by Father Victor Goossens, director of the Society for the Propagation of the Faith for the archdiocese of Indianapolis.

At U. of Arkansas

A teaching fellowship has been awarded to Joseph C. Cook, a student of the University of Indiana art department. Joseph is now a senior and will take graduate work at Indiana university.

In a recent mural contest held by the Arkansas State Board of Education, Cook won first prize. He has participated in the Arkansas Artist's Exhibition and numerous student exhibitions including the current University Art Guild student exhibition in which he received an award.

Joseph was initiated into Phi Beta Kappa at the University of Arkansas April 11. He will graduate in June with a B.A. degree. He is the son of Naomi Cook of Arlington Heights, who is a voice teacher.

At Dekalb

Students at Northern Illinois State Teachers College, DeKalb, will present their traditional annual May Fete Friday afternoon, May 26, on the campus island.

Orchestra, the modern dance club on campus, has planned a program. Patricia Stafford, president, and Bernice Wolfson, faculty sponsor, have announced the theme as "Phases of College Life."

Included among those who will participate in the dances is Mary Price of Arlington Heights.

At Lake Forest

Lake Forest college students held their Honor's Day Chapter May 13. The ceremony is a traditional one, designed to honor all students who have shown outstanding ability in any phase of college life.

Awards were presented for scholarship and campus leadership in extra-curricular activities. The speech and music departments honored the superior students in these fields. The Iron Key, honorary organization for outstanding men, tapped their new members in their annual ceremony. Another of the main events was the announcement of the names of the senior men and women who have been chosen to the Lake Forest college local "Who's Who" for this year.

Gene Ernsting was elected to "Who's Who," and was awarded an Honor Shingle and a Key for his work as the past president of the Student Council. Gene is the son of Mr. and Mrs. W. A. Ernsting, 197 Mason, Bensenville.

Kappa Alpha, honorary organization for senior women, initiated their new members and presented the cup to the outstanding freshmen woman.

At Stephen's college

Miss Ruth Louise Greener of Arlington Heights, won second place in the Ladies Three Gaited Class at the annual Commencement Horse Show in the Stephens College Arena here this past week end. Miss Greener was riding Red Feather, a Stephen's college owned horse. She was awarded the senior trophy, which presentation was based on sportsmanship, originality, and cooperation.

The show consisted of nine different events, in which some 93 girls and 50 horses participated. Judge for all classes was Humphrey Finney, editor of The Maryland Horse.

Special events at the show, which honored visiting parents and other guests during the week of Commencement activities at Stephens, were the special awards made to students outstanding in various phases of horsemanship.

Miss Greener has been elected president of the Prince of Wales Club for next year. She is the daughter of Mr. and Mrs. Ariel J. Greener, 400 East Park st., Arlington Heights.

At Iowa State college

Arlene Wiegand, daughter of Mr. and Mrs. Adolph Wiegand, 224 S. Highland, Arlington Hts., was one of 95 Iowa State college students who received awards for two or more years' faithful and meritorious work on student publications at the annual Journalism Awards Luncheon in South Ballroom, Memorial Union.

Gold "I's" were presented to those receiving first awards for 2 years' service. First and second star awards were given those completing 3 and 4 years respectively, of high-ranking work on publications.

Arlene received the one star award for work on the Iowa State Daily students newspaper.

Other special awards were presented to outstanding student journalists.

At Lake Forest

Don Borg was recently elected to the office of vice-president by the members of Delta Chi fraternity at Lake Forest college. Don is the son of Mr. and Mrs. Arthur Borg, 112 McLean Ct., Bensenville. He is a junior at Lake Forest this year.

At Colgate

Charles M. Smith, Jr., a junior at Colgate University and the son of Mr. and Mrs. Charles M. Smith, Sr., Inverness, Palatine, recently was elected to serve on the social committee, set up by the neutral body.

Bensenville high school bond issue up to voters again June 10

Voters of Community High School District 100, will be given another opportunity to approve a bond issue for the purchase of a new site and the erection of a new senior high school building on Saturday, June 10.

This district serves the communities of Wood Dale, Churchville, Lincoln School district and Bensenville.

The program proposed is the same as submitted to voters April 29 at which time the propositions lost by a rather narrow margin.

AFTER CANVASSING the various parts of the district the board of education felt that the original proposition was to be the most highly recommended of any plan yet proposed and that it should be submitted again to the voters in its entirety.

The vote June 10 will include a referendum on the selection of a schoolhouse site along with four other propositions including the purchase of a site and erection of a building. The total figure involved is \$1,077,000.

A special election notice on this referendum will be found in other portions of this paper and more complete details will be given in later issues.

THE RAPIDLY increasing school enrollments in this district and with the erection of many new homes in the area, it is felt that the planning of the new building and a new site at this time will be far more advantageous than the building of additions to the present school. This in the long run will be a more economical plan, it is believed.

Fire causes \$500 damage to home of Robert Ellis

Mt. Prospect volunteer fire department was called Monday to put out a fire at the Robert Ellis home, 211 S. George st. Fire started in the hot air chamber of the oil furnace and spread upward through the heating ducts. Cause of the fire has not been determined, but the blaze started shortly after a service man had worked on the furnace.

Damage, mostly from smoke, is estimated at approximately \$500.

Wiring New Home When building a new home it is wise to wire for modern laundry and kitchen equipment even if installation is to be deferred.

Miss Lois Moeller and Paul Fulhorst say 'I do'

Miss Lois Marie Moeller, daughter of Mr. and Mrs. Henry L. Moeller of Elgin, formerly of Norwood Park Township, became the bride of Paul W. Fulhorst, son of Mr. and Mrs. Henry Fulhorst of Norridge Park, Chicago, May 6. The newlyweds spent their honeymoon in California and will be at home after June 1.

Northbrook News

Mr. and Mrs. E. H. Taylor of Walter ave., are receiving congratulations on the arrival of a daughter at St. Francis hospital, Evanston, May 20. She weighed 6 pounds, 7 ounces and was named Louise. Her grandmother, Mrs. E. P. Schemp of Rosalyn Farms, Iowa, is here to help take care of her.

Mr. and Mrs. Fred Miller attended the postmasters' convention in Danville last week. They then motored to White Pidgeon, Mich., to visit Mr. and Mrs. Thor Christensen formerly of Northbrook.

Mr. and Mrs. Howard Dickau attended the 50th anniversary convention of postal carriers at Bloomington last Saturday.

Northbrook camp of the R.N.A. will have their meeting June 12 at 8 p. m.

The Woman's Guild of St. Peter church will have their regular meeting Wednesday at 2 p. m. The Catholic Women's club will meet June 7 at 8 p. m. There will be no fish fry this Friday at St. Norbert's.

Rev. Charles Haeftner officiated last Sunday at the baptism of Rita Mary Schulz. She is the daughter of the Theodore Schulzes of Butterfield lane. Sponsors were Maritana Seltin and Alfred Schulz.

Kindergarten graduation at St. Norbert's will be June 4. Those graduating at the eighth grade ceremonies June 11 are Ann Dodge, Mary Schervens, Patsy Retsinger, Virginia Burke, Robert Phillips, Bernadine Rinnela, Stuart Tesnow, Bill Matheine, Donald Pierre and Tom Dorsch.

Mrs. R. Rembe was hostess last Sunday to a picnic for eight children in Somme woods.

Every one is invited to phone news of celebrations and parties to Northbrook 78 before noon on Mondays for inclusion in the Cook County Herald.

Mr. and Mrs. N. F. Lellinger

Day camp leaders hold training sessions

The Northbrook Girl Scout Day camp leaders had a two day session at Somme Woods last week, Wednesday and Thursday. Mrs. Byron Nielson gave the training.

The objectives of the camp were outlined. They are to "Have Fun in Learning, to Live Comfortably and in Harmony with Friends Out of Doors." Safety measure for the camp were also outlined.

In addition to the regular staff, the Forest Preserve district will supply a naturalist, who will take the girls on nature hikes and teach them naturecraft projects.

Registration is still open.

will celebrate their wedding anniversary June 4 by attending the Tent theatre in Highland Park, which they have enjoyed for several years.

Miss Lois Andersen was guest of honor at a kitchen shower given her by the members of the Junior choir of St. Peter church May 22. She was the former director of the choir.

Northbrook firemen will entertain their past chiefs and other officers and past members June 9 at 8 p. m.

Friends of Fred Hiebner were sorry to hear he fell and broke his collar bone. He is getting along fine as is his wife whose right elbow was hurt.

Mrs. Emma Krieker of Chicago entertained the card party last Friday as guest of her daughter, Mrs. F. Lellinger.

Mr. and Mrs. Herman Meier had as Memorial day guests the Cliff Melzer family of Skokie.

Forest River News

Mrs. John Coryell was hostess to a triple shower in honor of a blessed events expected at the homes of Mrs. Clarence Huening, Mrs. Edward Zaparka and Mrs. Leon Cambron. The others who participated in the surprise were all members of the Lady of Lourdes Guild: Mesdames Munson, Scharringhausen, Schram, Remsing and Berns. Each one of the mothers-to-be were presented with the same beautiful and practical gifts. All were given a different excuse to get them to attend, making it a very mysterious affair. After all the mysteries were cleared, a few games

of cards were played followed by light refreshments.

After services at the Christ church in Des Plaines Arthur Leark was laid to rest last Saturday afternoon, May 27.

A Leark died suddenly last Wednesday afternoon while at work at the Benjamin Electric Co. He leaves his wife, Lucille, Arthur Jr., William George and Robert Allen and his daughter, Shirley Leibert, as well as his mother, Mrs. Mathilde Leark of Arlington Heights and brothers and sisters.

The Feehanville school will have their picnic Friday at the Lions Woods. The school will close for the summer on June 8.

Palatine soft ball league opens season

The Palatine Softball league started its season Tuesday night with the Palatine Theatre team losing to the Mt. Prospect A. C., 8-4, and Fox Cleaners losing to Haseman Truckers, 7-2.

All four pitchers pitched nine ball, but each game had a number of errors.

Butch Knigge and Paul Kraus hit home runs for the Theatre team, each with a man on base, and Gustafson hit one for the Fox Cleaners. Millan hit one for the Haseman team with a man on base.

NORTH NORTHFIELD CHURCH
Sanders and Dundee Corners
G. F. Schriver, Minister
Stated services: Worship 9:45, Sunday school 10:45.
Choir rehearsal Friday 8:00 p. m.
Church Council 5:00 p. m. Administrative meetings June 5, 8:00 p. m.

PRAIRIE VIEW CHURCH
Prairie View, Ill.
Stated services: Sunday school 10:00; worship 11:00 and at 7:30. Pictures of the Youth camp at the evening hour.
Midweek services each Wednesday, 8:00 p. m.
The pastor was reappointed at the annual conference in Aurora.

ST. JOHN'S EV. LUTHERAN CHURCH
Milwaukee ave. near Des Plaines River
W. G. Fechner, pastor
June 2: Graduation service at 8 p. m. The members of the 1950 class are: LaVerne Bornhoff, Blanche Grandt, Ronald Grandt, Fred Knoll, Helen Koch, Randolph Paulson, Donald Wagner.
June 4: German service at 9 a. m. Sunday school at 10 a. m. English communion service at 10:30 a. m.
The annual picnic will be held in the afternoon.

ST. PETER'S EV. LUTHERAN CHURCH
Schauamburg, Ill.
Rev. F. A. Hertwig, Pastor
Friday, June 2: Graduation in church at 8 p. m. Rev. P. Scheer of Hinsdale, guest speaker.
Sunday, June 4: German communion service at 10 a. m. School picnic in the afternoon. Children's program at 2 p. m.

Paint's Span
Ordinarily, exterior paints last longer on woods such as redwood and western red cedar than they do on resinous woods, such as yellow pine and Douglas fir.

Rev. Galaty to be at St. Philip's church Sun.

Rev. Gordon B. Galaty, rector of All Saint's Episcopal church, Omaha, Neb., will be at St. Philip's church, Palatine, next Sunday morning at the eleven o'clock service of Holy Communion.

Fr. Galaty was formerly priest in charge of St. Philip's church and was instrumental in the organization of the Mission which later became a self supporting Parish. A nursery will be provided at the church so that young parents will be able to attend the service and again meet Fr. Galaty.

Next Sunday also marks the closing day of St. Philip's church school for the summer months. A special program is planned to which the parents of the children are invited. Deaconess Taylor, Director of Christian Education of the Diocese of Chicago will be present.

News of Bartlett

The Woman's club will enjoy a covered dish dinner in the village park Tuesday, followed by the last business meeting of the year. Hostesses for the day will be Mesdames Fred Heineberg, Ewald Ehlers, John White, Fred Bennicke, Constance Hodge, and Benjamin Freese.

The following boys and girls received their first Holy Communion at the Catholic chapel Sunday morning: Dennis Kowal, Kenneth Konen, Roland Hahn, Thomas Anderson, Geraldine Anderson, Ellen Halat, Florence Garcia, and Roy Marganti.

The graduating exercises for the Community Unit District 250, comprising Hanover and Schaumburg townships, will be held at eight o'clock the evening of June 8 in the Bartlett school gym.

Mr. Thomas, superintendent of the Bartlett schools will deliver the address. Mr. Henry Hagen, Ass't. County Superintendent of Cook county, will present the diplomas. Musical selections will be given by the graduates.

Mr. and Mrs. Jack Mayer and son were Friday guests of the former's mother, Mrs. H. F. Mayer.

Mr. and Mrs. E. C. Schults accompanied by Mr. and Mrs. Glen Folkers of Mokena were guests of friends at Rockford Sunday.

Mr. and Mrs. Alvin Krun attended a picnic at Trout Park.

Miss Phyllis Cosand, a Red Cross Home Service worker, was on duty at the recent disaster scene in Chicago which was the result of an explosion when a street car and a gasoline truck collided.

Pirates win conference golf

Pirates set record 319 total to oust Northbrook champs

Palatine won the fourth annual Northwest Conference golf tournament Monday at Bensenville's Mohawk golf club with a league record team total of 319 to break the three-year monopoly of the Northbrook Vikings. The former team record of 334 made by Northbrook last year was also bettered by Northbrook who took second with 329 and Bensenville in third place with 331. Barrington scored 428 and Elia 453 for the low four men. Wally Shilkus retained his individual domination of Northwest Conference golf by posting a league record score of 71, two under par, for a complete four year sweep of the gold medal first places. Shilkus shot brilliant golf in his farewell to Northwest Conference athletic competition.

LITTLE CHARLEY BRIGGS. Palatine freshman, indicated that he may take Shilkus' place with a long run of good high school golf by scoring a 39-37: 76 for second place. It was Briggs' consistent shooting which gave Palatine their margin of victory in the team totals.

Jerry Daley, Bensenville sophomore, showed that he, like Briggs, thrived on tough competition as he recorded a 37-40: 77 for third place.

Harold Klapp of Palatine got fourth medal with an 80 and Shelby Stewart of Palatine bested George Silanoff of the Bensons in a play-off for fifth. Stewart shot a birdie on the first hole of the sudden death playoff. Both boys scored 81. Both Klapp and Stewart of Palatine finished strong with scores of 36 on the back nine after poor starts of 44 and 45 on the front nine. Tom Smith was seventh in the tournament and fourth for Palatine with a good score of 82.

PALATINE'S fifth man, Charley James, had a 91, but this did not count in the team total which was limited to the low four men.

Team scores
Palatine, 319.
Northbrook, 329.
Bensenville, 331.
Barrington, 428.
Elia, 453.

Individual leaders
Shilkus (Northbrook) 37-34: 71
Briggs (Palatine) 39-37: 76
Daley (Bensenville) 37-40: 77
Klapp (Palatine) 44-36: 80
Stewart (Palatine) 45-36: 81
C. Silanoff (Bensenville) 41-40: 81
Smith (Palatine) 42-40: 82
Gurke (Bensenville) 44-40: 84
Ebert (Northbrook) 45-40: 85
Schall (Northbrook) 43-42: 85
Rodney (Northbrook) 43-49: 88
Masotti (Bensenville) 49-40: 89
James (Palatine) 48-43: 91
D. Silanoff (Bensenville) 49-44: 93
Anhalt (Northbrook) 51-45: 96
Suchy (Barrington) 55-43: 98
Turner (Elia) 56-44: 100

Palatine's golf team, Northwest conference champs

Shown above are the members of the Palatine High golf team which was undefeated in 14 matches, took second in the state district, and won the Northwest Conference tournament with a record score. Left to right: Tom Smith, sophomore; Harold Klapp, junior; Shelby Stewart, senior; Charles James, freshman; Charles Briggs, freshman.

Palatine golfers undefeated in fourteen matches

Palatine high school golf team sponsored jointly by the school and the Inverness golf club completed a 14 match spring schedule last Wednesday without a defeat for their five man unit. The final victory was a 10-5 decision over McHenry with whom the Palatine team played a 7½ to 7½ tie score earlier in the season. The Pirates were victors in 13 matches.

The Pirates beat Arlington, Bensenville, Barrington, Lake Forest and Leyden, each twice and took single decisions from Northbrook, York of Elmhurst, and McHenry. They scored 166 points to opponents' 44 for an average of 11.9 to 3.1. Point scoring was even as Briggs and James had 34½ points, Smith 34, and Klapp and Stewart each 33. Average scores for the season were Klapp 83, Smith 83.5, Briggs 84.7, Stewart 85.5, and James 94.9.

The Palatine boys lost the state district championship to New Trier by two points and New Trier went on to take fourth in the state.

At the district Palatine scored 327 while New Trier had 325. Waukegan who had an undefeated season had 328 to take third and later beat New Trier for the Suburban League championship. At the district Briggs and Klapp shot 80, Stewart 83, and Smith 84.

Monday of this week the Pirates won the conference golf title for the first time with a record 319 total and placed second, fourth, fifth and seventh with the four man team as Briggs shot 76, Klapp 80, Stewart 81 and Smith 82. Stewart is the only senior. Klapp is a junior, Smith a sophomore and Briggs and James are freshmen.

Palatine has hopes for another good team next season.

Next week, Friday, the Palatine boys will be taken to Evanston by their faculty sponsor, G. A. McElroy, to play in the Evanston Junior Chamber of Commerce invitational tournament limited to boys between the ages of 13 and 18.

Wulbeckers tie for lead in St. James - Twilight golf league

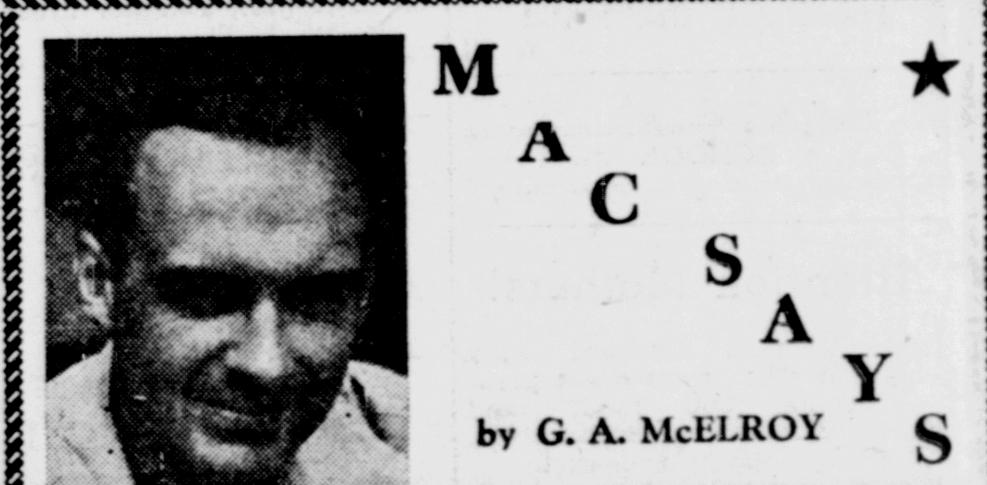

Wulbecker Furniture Service team, in third place last week, went into a tie for first place in the St. James Twilight Golf league this week by winning four of five matches from Murphy Insurance. The latter team thus relinquished their lead of last week and dropped to third place.

L-Nor Cleaners scored 4½ points in their matches with Prospect Heights Pharmacy, just enough to enable them to share the lead.

Two team captains, Wulbecker and Noesen tied for honors in both low gross and low net with identical scores of 43-7-36. The six teams will meet for the fourth week at Rob Roy Country Club Wednesday evening.

Standings at end of three weeks play:

Team	W	L
Wulbecker	9½	5½
L-Nor Cleaners	9½	5½
Murphy Insurance Co	7½	7½
Pros. Heights Pharm	6	9
Stefanik Dairy-Food	6	9
Urlick Land. Serv.	5	10

by G. A. McElroy

The Northwest Conference baseball schedule is near the finish with every indication of a tie with a play off necessary. Barrington had only Wauconda to play at this writing to insure a 6-1 record which would either be a clear title or a tie. Elia with a 4-1 record still had Grant on Wednesday and a postponed game with Northbrook. The Vikings of Northbrook still in the race with a 3-1 record, had a very hard schedule to gain a tie. Wednesday they met Palatine to be followed by a postponement with Bensenville to be played Friday. After that they have a postponed game with Elia to win to gain a play off. This appears to be a remote chance.

Fred Schmidt has been pitching a brand of ball of late that gives them a chance. However, to us it looks like a repetition of last year with Elia and Barrington playing off a tie. On the basis of recent pitching performances the edge would go to Elia for Prouty has been in form while Barrington starters have not been able to finish their last two games.

All time Arlington great completes brilliant track career

Little Gordon Busse, one of the finest track athletes in Illinois, completed a brilliant career in the William Creamer benefit track meet last Thursday night. Busse ran a :10.2 one hundred yard dash against a stiff, cold wind. He broad jumped 22 feet 7½ inches and did not have a single trial under 22 feet. His 220 was run in :22.5 and he anchored the Arlington relay team which ran a sparkling 1:34. Busse is the finest athlete we had of hard working, conscientious training, and competitive spirit. Little Gordie has lots of ability but it was a lot more than that which has made him the outstanding star that he is today.

Whatever college is fortunate to enroll him will get a lot more athlete than they expect. As a soph, Busse put on the greatest performance in the Palatine-Arlington frosh-soph invitational meet seen in 10 years. Busse in one evening broke the 100, 220, broad jump, and low hurdles records and really smashed all of them by a substantial margin.

Maloney of C. L. second to Busse in every event

In the meet last Thursday a really fine track man, Dave Maloney of Crystal Lake, made very fine marks in the 100, 220, broad jump, and as anchor on the 880 relay but he did not win a first place. The reason was that Gordon Busse, the Arlington flash, was in the same events and Maloney had to be content with second place. It was Maloney's strong competition which helped Busse win with such fine marks. Maloney led until the final 10 yards of the 220 yard dash.

Certified Seed
Good seed is always a wise investment. This is particularly true in years when a good supply of certified seed is available at reasonable prices.

Arlington scores in running events at Creamer benefit

by RON PRELLBERG

Arlington Heights high athletic department, the A club, student body, faculty and a Cardinal varsity track team staged one of their most successful benefit meets yet on record when they took in a grand total of \$3,368.85 last Thursday night in the Creamer benefit contest which went to the local cinder men by the wide margin of 60-42. The effort put in by principal L. J. Knoepfel, athletic director Wally Grace and A Club sponsor Curtis Larsen, to mention a few, made possible a brilliant climax for Coach Russ Attis and his varsity charges as this brought the Cardinal 1950 cinder record to 6 wins in 6 meets.

ARLINGTON'S closest contender was Niles with 42 points while the remaining three schools placed in this order: Crystal Lake and Leyden tied for third with 35½ points, Palatine fifth with 22 points.

The Red Bird sprinters again proved their superiority by capturing 40 of their 60 markers in the running events through a first and third in the 120 yard high hurdles, a first and fourth in the hundred, a second and third in the 440, a first and third in the 110 yard low hurdles, a first a fifth in the 220, a second in the 880, and a first in the 880 yard relay.

Niles and Leyden appeared strong in all the field events except the broad jump, which went to Gordon Busse of Arlington with a hair raising leap of 22' 6¼". Crystal Lake racked up the majority of their points through a series of second and thirds in the running events and a first in the pole vault.

PALATINE had a hard time keeping up with the stronger and former Northwest conference opponents, but they came through nicely in the 880, mile run, 120 yard high hurdles and the high jump.

Arlington was supported mainly by Warren Lattof and Augie Krause in the hurdles, Busse, Packard, McDougall in the dashes, Kennedy, Kovack, and Neumann in the 880 and 440, and Deininger, Tossman, Neumann and Busse in the discus, high jump, shot and broad jump.

The Arlington cinder men will really miss such standouts as little Gordon Busse, Bob Neumann, Emmett McDougall, Augie Krause, Ron Anderson and Roger Kennedy, but with the excellent coaching they have in Russ Attis, the remaining juniors, and a strong group of sophomores moving up, next season should prove to be as exciting as any.

120 yd. HH: won by Lattof A. Cardinal 2nd, Anderson A 3rd; time :15.2.
100 yd. dash: won by Busse A. Maloney CL 2nd, Salzman CL 3rd, time :10.2.

110 yd. LH: won by Krause A. Gawrys N 2nd, Corsini L and Roche A 3rd; time :1:23.
220 yd. dash: won by Busse A. Maloney CL 2nd, Salzman CL 3rd, time :2:05.

880 yd. run: won by DeStories N. Kennedy A 2nd, Ruzicki L 3rd, time :2:35.
Broad jump: won by Busse A. Maloney CL 2nd, Bradley L 3rd, distance 22' 6¼".

Shot put: won by Kennedy N. Piper L 2nd, Sayles CL 3rd, distance 44' 9½".
Discus: won by Piper L. Bozons N 2nd, Bowles CL 3rd, distance 139'.
High jump: won by Spera L. Tossman A 2nd, Lenard CL and Kagay P tied for 3rd, height 5' 2½".

Pole vault: won by Quinn CL. Latturno L. Heninger N and Ruesch N tied for 2nd, height 10' 3".
880 yd. relay: won by A. CL 2nd, N 3rd, time 1:34.

Barrington, Oak Park top Illinois league

With the Illinois softball league now in its second full week of play, all of the six teams have tasted defeat at least on one occasion, this brought about last Saturday evening when the Maywood Celtics surprised the Barrington Bears, 6-5 in 10 innings at Maywood.

In other games Barrington bounced back on the victory trail on Sunday by nipping a strong Northbrook team, 1-0, and Libertyville's Comets downed Des Plaines, 8-1. Des Plaines also

dropped a 9-4 decision to Oak Park and the latter also edged Libertyville 5-3.

Games during the week find the two leaders of the league, Barrington and Oak Park clashing on Friday, June 2, at Oak Park. On Saturday, Oak Park appears at Maywood and Northbrook at Des Plaines. Northbrook is host to Maywood on Sunday and on Wednesday, June 7, Des Plaines visits Libertyville.

League statistics through Monday, May 30, follow:

Standings	W	L

Big crowd shoot this Saturday

Farmers and friends of the farmers are invited to join the crowd shoot in Lake County this Saturday. They may shoot from daybreak to dark, anywhere in Lake County.

At room all participants are invited to come to Louis Levee's Stone Gate Farm (east bank of Des Plaines river on the south side of rt. 22) for noontime gathering. They should bring their own lunch, an outdoor grill will be available and tree coffee will be served.

Rules are simple! There is no limit as to size or quantity of crowds shot. Bring in the heads and check in the kill at Levee's house to 2 p. m. After that check in at Lindstrom's (first house east). For those who stay out till the crows go to bed they may check in their kill by phoning McMaisters at Highland Park 508 or Milt Coulter at Glencoe 2156.

Winner of the shoot gets 25 pheasants (released next fall on land of his choice by the Illinois Dept. of Conservation). Runner-up will get special 10th Anniversary prize of fine croch walnut Bowles Big Lake Duck Call, made by American Bowles of Little Rock, Ark. Bowles' crow calls will go to other high scorers—and to the highest first year man.

Points are scored as follows: Each crow, 1 pt.; eggs, ½ pt.; horned owls, 5 pts.; woodchucks, 1 pt.; fox, 15 pts.

Leyden bests Arlington in frosh-soph meet 64-51; Palatine takes fourth

by RON PRELLBERG

An exceptionally strong Leyden frosh-soph track team traveled to the 10th annual invitational frosh-soph cinder meet at Arlington last Wednesday and grabbed a first in the 9-school competition by squeezing out a 13 point victory over its closest contender, Arlington, 51-64. No records were affected, as each event was run off, but a few were nearly tied, namely, the sophomore relay, 100 yard dash, and the broad jump.

Leyden capitalized in three field events when Bradley leaped to a first place in the broad jump, Loturno vaulted to a first in the pole vault, and Kuttel put the shot 51' 7¾" for a blue ribbon place in the shot put event. Four other firsts were allowed the Leyden Eagles in four running events.

THEIS' AND Webster's dash ability helped Arlington to take second place as Theis sprinted the 100 yard dash in 10.8 and Webster went the 220 distance in a speedy 24.8. Crystal Lake fell into the third position with a team total of 29½ markers.

Palatine placed fourth on 25 5/6 points while fifth, sixth, seventh, eighth and ninth positions went to Wauconda, Niles, Barrington, Grayslake and Bensenville respectively.

Despite their only placing second, Arlington and Coach Seiler have shown real spirit throughout the season and they did finish up with an encouraging win and loss record. The improvement shown by certain individuals such as Theis, Webster, Ragland and Klink should more than qualify them for the stiffer varsity competition which they will enter their junior year.

Points are scored as follows: Each crow, 1 pt.; eggs, ½ pt.; horned owls, 5 pts.; woodchucks, 1 pt.; fox, 15 pts.

Each crow, 1 pt.; eggs, ½ pt.; horned owls, 5 pts.; woodchucks, 1 pt.; fox, 15 pts.

ROB ROY GOLF LEAGUE NEWS

A mere matter of three points separates the top seven teams in the Rob Roy League. The Rollie Westfall, Dick Anderson, Ray Myers and Harth combo holds the lead by virtue of some mighty classy scoring. Westfall has yet to get out of the thirties. The hounds are at their heels, however, as the teams of Koske Excavators and the Prospect Heights Pharmacy are hot on their trail.

A newcomer to the league, Dudley Hartman, shooting his first game for Michael's I. G. A. fired a 1 under par 36 on the back nine. Blind bogey was won by N. Funk and Ed. Fill.

Mt. Prospect Twilight

With the season's matches one-fourth completed, the mad scrambling for the coveted high positions is going strong. It is far too early for predictions, but keep your eye on the dark horses because anything can happen yet.

By courtesy of Cline Nichols each league member was presented with a card entitling him to a free day of golf "on the house." A very fine gift that all appreciate and wish to thank the Mt. Prospect Country Club for.

Birdies this week by: R. Meyer, H. Baylis, W. Peterson and W. Mott.

Bensenville and Palatine losers in NW baseball race

By G. A. McELROY

Barrington moved one game from no worse than a tie for the Northwest baseball championship Friday as they beat Palatine, 7-5. The Bronchos with five wins and one loss have only Wauconda to meet in order to finish on top. Ela and Northbrook have lost only one game but have postponed games to win to overtake the Bronchos.

Palatine took a 4-0 lead on Barrington Friday in the early innings, but Barrington scored twice in each of the fourth and sixth frames after getting three in the fourth to win the game. Kolze's single in the first of the sixth drove in a run to tie the count at five all, but Berg-horn singled and after two boys struck out Shuett tripled to deep right field scoring Berg-horn and Trankle's single sent Shuett across with another run.

Shuett, Trankle and Osinski each got two hits in a nine inning Broncho total. Palatine got four hits of which two were by John Waznik.

Shuett started for Barrington but his wildness in the fourth inning brought Osinski into action. Together they allowed but four hits and fanned seven.

Jarvis' fast ball had Barrington baffled the first three innings, but they got going with seven hits in the last three innings. Jarvis fanned six.

Palatine 100 301 0-5 4 0
Barrington 000 322 -7 9 1

Batteries: Jarvis and Ward; Shuett, Osinski and Hansen.

Ela shuts out Bisons, 3-0

Eddie Prouty was in rare form Friday as he held Bensenville to one hit, struck out 12 batters, and registered a 3-0 victory. Ela scored two in the fourth and one in the sixth. Einar Erickson of the Bisons pitched his best ball of the season allowing but three hits and whiffing 15, but Bensenville's two errors and weak hitting by his team mates lost the game. It was Ela's and Prouty's fourth league victory as against one defeat, a 1-0 loss to Antioch in which the Ela hurler allowed only three hits in defeat.

Fred Schmidt hurled four hit ball as Northbrook stayed in the baseball race with a 3-1 record by virtue of a 6-3 victory over Wauconda. Weinberg and

Johnson's par shooters take over third place in Heights golf league

Mar Johnson's team took 10 team points in a rugged battle with the Park Ridge Stop and Sock to move from sixth place to second place in the Arlington Heights twilight golf league.

Piper's Candy Shop did an excellent job of taking 4 team points with only two men present.

Bud Rapp's excellent 28 took low net honors for the evening. Team standings are as follows:

Arlington National Bank	34 1/2
Big Freeze	30 1/2
Mar Johnson's	29 1/2
Jahn Cities Service	28 1/2
Andrews DeCal Co.	27
Lohr's Pharmacy	26
Schiller Carpet Co.	26
Park Ridge Stop & Sock	20 1/2
Piper's Candy Shop	20
Duntman Dairy	19
Arlington Bowling Lanes	18
Lingren's Men's Wear	8 1/2

Arlington frosh-soph nine victor over Niles and Leyden

By RON PRELLBERG

Tom Meyer pulled through a pair of wins for Coach Buz Ormsbee and his frosh-soph charges when Meyer hurled a 10-9 victory over Niles last Thursday and pitched his way to an 8-6 triumph the following Monday.

The Niles contest, which was held at home, found Meyer giving up 7 hits, 5 walks, and sending 5 down swinging. Ladde took first chance at the mound chores in Monday's game against Leyden, but was not credited with the win.

Arlington bats were really clicking both days as they out-distanced their opponents by 4 hits the second game and slammed out 7 the first. These two victories brought a thrill-

Nolan pitched for the losers and were touched for eight safe bingles. The score was tied going in the final inning.

Northbrook 002 010 3-6 8 2
Wauconda 000 201 0-3 4 3

Batteries: Schmidt and Lichtenberger; Weinberg, Nolan and Wirtz.

Antioch's Pregenzer pitched another game such as he hurled against Ela in the league opener and shut out Grant Friday on two hits by 1-0. It was a strong comeback by Antioch after losing 10-2 on Tuesday to Palatine's tail end club.

PAGE FOURTEEN

FRIDAY, JUNE 2, 1950

ing climax to the frosh-soph's '50 season by giving them a 7-win and 2-loss showing which any ball club would be proud of.

The Niles Trojans gathered 2 runs against Arlington in the first, one in the third, two in the sixth, and four in the seventh. Arlington scored heavily in the first two innings, three and five runs respectively, but were only allowed two more tallies in the remaining four frames. In the Monday contest with Leyden, the Cards used 3 innings to do their tallying, the first, third and fifth.

Leyden used its first four times at bat to collect its six runs with one in the first, two in the second, two in the third, and one in the fourth.

Palatine frosh win
Arlington frosh lost to Palatine frosh, 7-6, and to Niles, 10-8 last week. Their final record for the season was 2 wins, 4 defeats.

Mike Theis elected captain frosh-soph track

It has not been customary in the past for Frosh-Soph track

teams at Arlington Heights high school to elect team captains. Last week, however, the Arlington Heights frosh-soph team broke with tradition long enough to bestow the honor of team captain on sophomore, Michael Theis.

Theis, as the star performer of the team this year, accumulated a total of 116 points in nine meets this season for an average of 12 2/3 points per meet. Ted Seiler, Heights Frosh-Soph coach, says, "Mike is one of the most versatile track athletes I have ever seen."

Theis specialized in the 100 and 220 yard dashes, but he is also a fine high and low hurdler, shot and discus thrower, and a good broad jumper. He has won points in all of these events during the recently completed season. He has also anchored the fine 440 relay team which placed third in the Palatine Relays, fifth in the Frosh-Soph district meet at Evanston, and took second in the Creamer benefit meet.

The imposing total of points, 116 of which were won when the Arlington Heights Frosh-Soph met the Bensenville varsity, was sufficient to gain a varsity track letter for Theis this year.

This will participate in the pen-tathlon meet at Niles June 2. Theis will compete in the 220, the 120 high hurdles, the broad jump, shot put and discus.

Prescription Sunglasses

If you wear glasses all day long, you owe it to yourself to protect your eyes from the glaring summer sun. The only RIGHT way to do this, is with sunglasses made to your individual prescription. Drop in and ask about it today!

Charge annexation of farm lands has been largely for tax purposes

On behalf of the farmers who are protesting part of their taxes, the Farm Bureau wished to point out that under the basic Illinois law or our state constitution of 1870 taxes for the support of the many local governments and taxing bodies are derived from real and personal property levies. Farm income has steadily declined and become a smaller figure in the percentage of income of the populace. In many cases the income of the individual farmer is far below that of the citizen who works in a factory or in the city area. Yet, due to the fact that the farmer must maintain several buildings on the acres of land which he tills, his taxable property may be many times more than the man who owns only enough property to house his family and automobile.

"What we are saying is this: the average farmer is bearing a disproportionate share of the present tax load. It is a common occurrence to find rural landowners being included in taxing districts solely for the added taxes which they will have to pay, not because they have any desire or need for the services being offered by the district.

"Heer the farmer has just cause for complaint when he is included in taxing districts solely to bear the operating expenses or shoulder the cost of bond issues," says Mr. Louis W. Pohlman, president of the Cook County Farm Bureau. "For this reason farmers may be expected to use every instrumentality at their command to lighten their tax burden. The farmer has tried again and again to aid in the revision of the basic laws so that relief might be obtained from this archaic 1870 procedure applied to the 1950 situation."

THE FARM BUREAU hastens to point out that when tax strikes flare up, it is the farmer who continues to pay his taxes. Even now, it is the non-farmer who evades the personal property with impunity; the farmer pays his without question. The artificial prosperity which we now enjoy has been nothing more than a politically gerrymandered postponement of the final accounting. The tax load was increased steadily until the crash in the early thirties; it was only then that the public discovered that it had contracted itself to pay debts far in excess of its ability to pay. Today, huge spending programs are prevailing at all levels of government; local governments are spending more money than ever before in their histories.

There are none that do not fall in this class. Building and expansion programs are advocated solely on the basis of alleged need; no thought is being given to the ability to pay for the service. Individuals cannot operate in this fashion; it is plainly presumptuous to think that local governments composed of individuals can continue to operate in such fashion.

Today it is as unpopular to ask "Can we afford this?" as it is to be tagged as a Communist. There is no earthly means of supplying all our wants and desires; there is a limit to the things that we can have and remain solvent. In the last analysis, solvency is preferable to bankruptcy.

A prominent United States Senator recently declared that the individual is working more than one day out of every four to support the ever-growing costs of governments in this country. Don't you think that now is the time to examine this expenditure of your money and mine?

Farmers Object To Garbage Dump North Of Itasca

Resident farmers in the vicinity of the WGN transmitter, on rte. 53, south of rte. 72, in Elk Grove township, have been complaining recently about garbage dumping in the 30 acre slew opposite the radio station.

THE DUMPING is apparently being done by the owner of the property in an attempt to fill it in, reports E. H. Deike, a nearby resident. The farmers in the region feel that the garbage will attract rats, mice, flies, insects, etc., and sanitarily endanger their grazing cattle. They are also complaining about the odor, Deike added.

Garbage dumping is prohibited, if it is really garbage and not just rubbish, states Robert deJonge of the Sanitary Engineering division of the Cook County Department of Public Health. Garbage is generally termed as, refuse animal or vegetable matter, while rubbish is defined as just waste or rejected matter.

HE SAID THAT, while garbage dumping is not allowed, there is actually no county ordinance against it or preventing it. He cited the long battle between Glenview and Chicago that has been waged over garbage dumping.

According to deJonge, the only way in which the dumping can be opposed is by a charge of creating a nuisance.

Mt. Prospect VFW build club house

Mt. Prospect V. F. W. members decided that if they wanted a club house for immediate use, they would have to do a lot of the work themselves. Here they are at work. The dedication was held Sunday.

Half DuPage Farmers Back Soil Program

Over half of DuPage county's 1,150 farmers, 595 to be exact, have signed up in the soil conservation program this year.

Michael F. Lies, Production and Marketing Administration head, announced recently.

THE BUILDING of sod waterways, spreading of limestone and phosphate and planting of grass are the main projects of the program.

Lies reports that last season seven farmers in DuPage county constructed the waterways and that this year he expects twice this number to take part in this phase of the program. The sod waterways help prevent erosion of the fields.

Some 10,725 tons of limestone

It's Super

for Watch-Dog Protection!

Protection you can count on... the test-proved protection of new Conoco Super Motor Oil!

Proved by 50,000-mile road test! In a 50,000-mile test, engines lubricated with Conoco Super Motor Oil showed virtually no wear at all... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts.

This means that—with proper crankcase drains and regular care—Conoco Super Motor Oil can keep new-car power and performance year after year!

and 5,000 tons of phosphate were spread out in DuPage county in 1949, he says. This absorbs the acid in sour ground and produces better crops.

THE SOIL building program has done much for the farm acreage of the county, Lies revealed. Less erosion has occurred and better crops have been produced. The planting of grasses, such as red clover, brome grass, sweet clover and alfalfa, has been encouraged. Alfalfa was planted on every farm in DuPage county last year, Lies said, and it makes the best feed.

National Guard solicits recruits in time for two-weeks camp in July

Two weeks at Camp McCoy—a vacation with pay—is available for not only present members of the National Guard, but also to recruits who enlist prior to June 15, is the message that has been issued by Headquarters and Headquarters Company of the 228th Infantry Regiment.

The dates are June 30 to July 15. Men between the ages of 17 and 35 years are needed to fill up Headquarters Company, at Palatine.

ANNOUNCEMENT of the opportunity awaiting red-blooded men is summed up in the following release from Major Fuller:

"To the men in the Company and the men who will join this Company this will mean more enjoyment in the work.

"We have until the 15th of June 1950 to accept more members. After that date, we can not accept any enlistments until after camp period.

"Don't let anyone tell you this is a kid's game. This National Guard is a man's business. We don't want kids, we want men. The right kind of men will go a long way. What are you, a kid or a man? Come in and find out what we have to offer you. If you are not a man, we will make one out of you. Come in and talk to the men in the National Guard office. It does not cost anything to find out the benefits of the company.

"THE NATIONAL Guard unit still needs you. The local unit of the Illinois National Guard has moved into its second week of recruiting. The prospect shortage is believed to be caused by the lack of publicity for this campaign and because the people of this community do not realize the benefits, both technical and social, afforded by this organization.

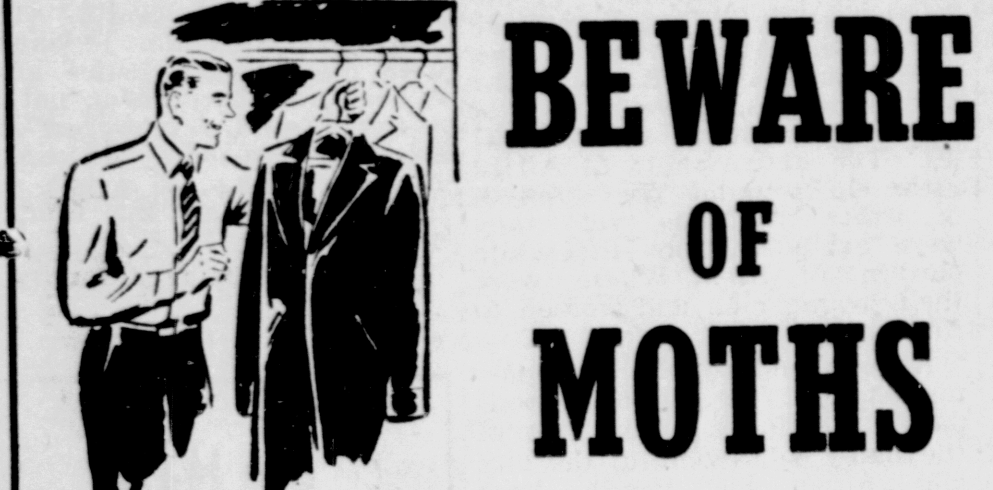

"Technically, no finer instructors or equipment can be found, in radio, communications, mechanics, military intelligence and last, but not least, military training which, especially at this time, is so badly needed for community and national defense."

IN MEMORIAM

In fond and loving memory of our dear son and brother, Austin B. Buncik, M. M. 3c, who gave his life for his country six years ago, June 6, 1944.

The silent night is lonely and there is no golden dawn. Because we must remember son, That you are really gone; We still remember in our hearts The happiness we knew. The many pleasant times we had When we went out with you. There is no joy and happiness In flowers that we plant And if we call your name we hear The sound of emptiness. We roam the house from room to room We gaze beyond as far as we can see But there is nothing we can do To bring you back to our family. We have to tell ourselves again And we can only ask the Lord For strength to carry on. But you're not alone in that grave o'er the sea For there's where our hearts will always be. Loving Father, Mother, Brothers and Sisters.

Wilson School Community News

The school picnic was held on the school grounds May 29 under the supervision of the teachers, Mrs. Magnusson and Miss Paulus. Following games and contests, the children roasted weiners around a bonfire and everyone had a good time.

May 31, the children reported to school for their report cards and promotions, and departed with smiles and cheers for their summer vacation.

Mr. and Mrs. Arthur Schroeder of Palatine rd. celebrated their twenty-first wedding anniversary May 25.

Mr. and Mrs. Carl Hanich are the proud parents of a little girl May 21 at St. Joseph's hospital in Elgin.

The Community club met at the school house May 26 to make plans for a picnic which will be held July 9 at Elk Grove. The entire community is invited to attend, and each family should bring a basket lunch.

The Arlington Knolls Ladies club will hold their next meeting at the home of Mrs. Kneer June 7 at 8 p. m.

The volunteer committee has been working very hard obtaining the census and interviewing this community to ascertain the most popular solution to our overcrowded school. The census of children entering our public school shows the following: 7 infants; 13 one year olds; 13 two year olds; 16 three year olds; 4 eight year olds; 5 five year olds; and 8 six year olds.

Hobnobbing High
The father of our country was a lover of ice cream. During the summer of 1790 George Washington bought \$200 worth of ice cream on Chatham street in New York. This was the site of many of the first ice cream shops. General Washington brought home from Philadelphia a "cream machine for making ice" and owned "two pewter ice cream pots."

Corn Carryover
Carryover of old corn next fall may reach a billion bushels.

5 DAY FREE TRIAL SHOWS what an Electric Dehumidifier can do in your home!

Take advantage of this sensational free trial offer... use an Electric Dehumidifier for five days and prove to yourself how it will protect against moisture damage. Don't let high humidity take its costly toll. A Dehumidifier will prevent rusting of home workshop tools, end that musty smell in your basement or utility room, and keep mold and mildew out of your recreation room.

The Frigidaire Electric Dehumidifier is completely automatic. All you have to do is plug it into any convenient electrical outlet, and it's installed! There are no messy chemicals to buy or replace, no heaters or electrical coils to worry about. The Frigidaire Dehumidifier is always clean, odorless, and completely safe during operation.

A few of the uses for an Electric Dehumidifier

- Recreation Room**
Use your basement recreation room all year 'round. A Dehumidifier makes room completely comfortable in summer months—prevents mildew and rot.
- Home Workshop**
Protect those tools in your basement workshop. Corrosion due to high humidity just doesn't happen when you have a Dehumidifier.
- Decorating**
No more dampness problem after you plug in a Dehumidifier. Fresh paint, plaster and new cement floors dry quickly.
- Store Windows**
Don't let "sweat" cloud your show windows. Florists' shops or other stores with this trouble can clear their windows with a Dehumidifier.

The Frigidaire Electric Dehumidifier, with famous Meter-Miser Mechanism: Removable container catches water and has capacity of 2 1/2 gallons.

SMALL DOWN PAYMENT— balance payable in easy terms on your monthly Service Bill.

At Cornell college

Darleen Langhoff, daughter of Mr. and Mrs. August Langhoff, 214 S. Rohlfing rd., Palatine, a junior at Cornell college, Mt. Vernon, Ia., was elected treasurer of the 1950-51 Mortar Board early this week.

Mortar Board is a national honorary organization for senior women who qualify in scholarship, leadership and service within their college.

Darleen will assist with society news for Paddock Publications while Mrs. Seiler is on 6-week's vacation this summer.

Graduate nurse

Miss Dorothy Anne Webster, daughter of Mr. and Mrs. J. W. Webster of Algonquin rd., Elk Grove Township, was graduated from the Grant Hospital School of Nursing April 19.

The graduation exercises took place at St. Paul's Evangelical and Reformed church in Chicago, and Dr. E. R. Serles, dean of the College of Pharmacy, University of Illinois, gave the main address.

Miss Webster will continue studying at the school until September and will then begin her nursing career.

(ACM)

At Illinois

Robert R. Smeby, Mount Prospect, who will receive his degree of Bachelor of Science in Chemistry June 18, from the University of Illinois, was initiated May 8 into Sigma Xi, the honorary scientific research fraternity.

Bob was one of five undergraduate students and one of two in the chemistry department to receive the honor. He was elected an associate member. Those eligible for associate members include "any student who has shown marked excellence in two or more departments of pure or applied science."

This summer Bob will work for Dr. Miller of the Chemistry department of the University. His father, Rudolph P. Smeby, went to Urbana for the initiation ceremonies.

At U. of Cincinnati

Among those winning recognition in the University of Cincinnati's annual Honor Day program May 17, was Miss Eleanor M. Dahms, 401 N. State rd., Arlington Heights. Miss Dahms received one of the Delta Phi Delta art scholarships.

She is the daughter of Mr. and Mrs. Walter R. H. Dahms. At present she is a sophomore in the UC College of Applied Arts.

At Carleton college

Miss Joanne Smith of Arlington Heights, a junior at Carleton college, has been elected to the Women's League Cabinet and Council for next year. She will serve as co-chairman of the campus Big Sister Committee and also on the Freshman Week planning committee for 1950-51. This year Miss Smith has served as a junior head in the freshman dormitories.

Miss Joanne Leckband of Arlington Heights, a sophomore at Carleton, has been elected by Women's League to serve as a junior head for next year.

At Annapolis

Midshipman James Allen Robinson, son of Mr. and Mrs. Harry K. Robinson of 1020 Chicago ave., Arlington Heights, is a member of the 1950 graduating class at the U. S. Naval Academy, Annapolis, Md. Graduation exercises are to be held June 2.

A former student of Marion Military Institute of Marion, Ala., and Arlington Heights Township high school, Midshipman Robinson received his appointment from the 7th Congressional District of Illinois, and was admitted to the Academy June 13, 1946.

During his attendance at the Academy, Midshipman Robinson received awards in swimming and baseball.

Midshipman Robinson is slated for a commission as an Ensign in the Navy and has indicated a desire for Naval Aviation, following his graduation.

PAGE TWENTY

FRIDAY, JUNE 2, 1950

At Stephens

Miss Martha Spottwood of Palatine is among nearly 100 candidates for high school diplomas from Stephens college for women, Columbia, Mo. Commencement exercises for the 117th graduating class was held Tuesday morning, May 30, with Dr. Homer P. Rainey, president of Stephens, conferring the degrees.

Miss Spottwood is the daughter of Mr. and Mrs. Julian Spottwood of Elia rd., R.F.D. 1, Palatine.

Baccalaureate services took place Sunday, May 28, and a special vesper service for parents was held that evening. President Rainey was the baccalaureate speaker.

Monday noon, following an awards convocation, an outdoor luncheon was served to several thousand students, parents and guests. At an Old Missouri barbecue that evening at the Stephens lakeside fathers and brothers of students were entertained by men faculty members. Mothers were entertained at a buffet supper and reception.

At Syracuse

Elmer C. Alft, son of Mr. and Mrs. Elmer C. Alft, Sr., 302 E. Colfax st., Palatine, is a candidate for a degree at Syracuse University's 93rd commencement, June 5.

Alft will receive his master's degree from the Maxwell Graduate School of Citizenship and Public Affairs, where he has majored in social studies. He is a graduate of Maine Township high school, Des Plaines.

At Michigan State

Michigan State college will present degrees to a record-breaking 4,469 students at the college's 92nd annual commencement June 4.

Graduating seniors from this area who are spring candidates for bachelor degrees include Clarence W. Niemeyer of Arlington Heights, Carl Smedstad of Palatine and John H. Boyer of Northbrook.

At Carthage college

Lloyd Meyer, son of Mr. and Mrs. Albert W. Meyer of Arlington Heights, is a member of the Carthage college baseball squad, alternating between the second and third base positions for the Redmen this year.

Meyer is a freshman at Carthage and is majoring in Physical Education and Business. He graduated from Arlington Hts. high school in 1949.

To receive degree in nursing June 3

Marion Eunice Birks, daughter of Mr. and Mrs. E. E. Birks, 257 N. Plum Grove ave., Palatine, will graduate from the University of Western Ontario, Canada, June 3. She will receive her Bachelor of Science in Nursing degree.

At Culver

Robert Butler, United States Ambassador to Cuba, will be the Honors Convocation speaker at Culver Military Academy during Commencement week which will start Saturday, June 3, and conclude Wednesday morning, June 7, with graduation of 176 cadets.

Among those enrolled at Culver this year is John R. Martinson of Palatine.

Included in the various activities will be military exhibitions by the Artillery, Infantry, and Black Horse Troop organizations; garrison parades, sports events including baseball, crew, and boxing; and a Commencement Military Ball the night before graduation.

At Lake Forest college

Ray Lauffenburger was recently elected to the office of vice-president by the members of Phi Pi Epsilon fraternity at Lake Forest college.

Ray is the son of Mr. and Mrs. George Lauffenburger, Rt. 2, Palatine. He is a junior at Lake Forest this year.

Swine Influenza

Undue exposure to cold and dampness paves the way for outbreaks of influenza and pneumonia in swine herds.

Browsing About

with JAN KRAMER

Present day South Africa is the scene of Alan Paton's deeply moving novel *Cry, The Beloved Country*. Its concept is Christian, free of moralizing and sentimentality, and expressed in beautifully balanced language.

The problem it probes is the exploitation of the black people by the white. When they came to South Africa, the whites broke down the tribal customs of the natives, moved many of them to the mines and the cities. The native youth of Africa grew up without the strength of tribal traditions, yet they were excluded from the white pattern of life. Where were these young men and women to find security?

A good and simple Zulu pastor sets out from his backwoods parish to find his son, one of the many who went to the city and forgot his family back home. The father follows the heartbreaking trail until he finds the boy, but now there has been a murder and it is too late to save him.

Despite the sadness of the story itself, the outcome of the book is hopeful. Subtitled *A Story of Comfort in Desolation*, one sees the good that can come out of evil, the truth in the Bible's ruling, "Turn the other cheek."

There is a contrasting of generations and their ways of considering the racial question. There are several opposed points of view—that of the confused negro youth and of his old father, steeped in the tribal traditions; that of the murdered

white man who has been a fighter for negro rights and whose father who treated the black man kindly in his place but did nothing to help his cause.

Here is thought-provoking reading, with problems emerging applicable to our culture as well as that in South Africa. The racial question is handled with dignity and justice and is beautifully expressed, not like a tract from a text but with haunting overtones of love for Africa, of hope for a just solution, faith in all the kinds of men involved.

'Twentieth Century' to be presented at Chevy Chase theatre June 1-11

Chevy Chase Summer Theatre's second season opens Thursday, June 1, with John Carradine and Nancy Carroll in the hilarious farce "Twentieth Century" by Ben Hecht and Charles MacArthur. The two Chicago newspapermen who left these parts for fame and fortune in New York and Hollywood. While "Twentieth Century" opens June 1 and runs through June 11, succeeding plays will open on Tuesday and run through Sunday. There will be special matinees at 3 p. m. on Wednesdays with all seats unreserved at the same low price.

Included among the 14 plays scheduled for the season by Producer Marshall Migatz, each of which will have different stars of stage and screen, are Imogene Coca in "Happy Birthday" and John Ireland and Joanne Dru in "George Bernard Shaw's farce Arms and the Man."

Last summer, during a nine week season, Producer Migatz presented such outstanding theatre fare as "The Vineyard" with Mady Christians, "Light Up the Sky" in a pre-Light showing with Nina Foch and "The Second Man with Den-

nis King. Encouraged by enthusiastic response to last season's presentations, Migatz has lengthened his season this year and refurbished his air-conditioned theatre, which is on the grounds of the Bon-Air Country club on Milwaukee ave., a mile north of Wheeling.

Noting the success of his apprentice group last season, Migatz this year will have two groups working for two periods during the summer. There will be six boys and six girls studying each period; each must be over 16 years of age. Those wishing to join the groups should write Mr. Migatz at the theatre, stating experience; interviews will be arranged later. Last season, one of the apprentices, Daryl Grimes, proved so good he played the lead opposite Buddy Ebsen in "The Man From Home." Among established actors who began their careers as summer theatre apprentices are Gregory Peck, Bette Davis and Humphrey Bogart.

Reserved seats at Chevy Chase Summer Theatre are \$3, \$2.40 and \$1.50, including the tax. A special subscription rate for six plays is \$15 or \$12 on Tuesday through Thursday nights and Sunday nights and \$18 or \$14.40 for Friday and Saturday nights. Single admissions to the Wednesday matinees, when all seats are unreserved, are \$1.50, with a special subscription rate of \$7.50. Subscribers enjoy preferred locations and tickets are mailed in advance of public sale.

Plenty of competition in Grattan Pace at Maywood Friday

With 24 pacers nominated, the third stake named in honor of Illinois horses, the May E. Grattan Pace Friday night (June 2) promises plenty of competition at beautiful Maywood Park, North ave. and River rd.

The speedy Pokadot, favorite pacer mare of Mrs. Forrest (Grandma) Burright, heads the field and Racing Secretary Bill Connors says, there is a possibility that it will be necessary to increase the purse of \$2,500 again and split the field into two divisions. Because of the large number of declarations this has been necessary in previous stages.

Driver statistics after nearly three weeks of racing, show Roy Riegle of Greenville, Ohio, well out in front with 11 victories in 21 starts. Red Stine, 20-year old pilot from Sandwich, Ill., and Glenn Hawkins, Elkhorn, Wis., handling a stable for Glenn Berker, Chicago, are tied for second with eight wins each.

Probably the toughest competition for Pokadot in the May E. Grattan stake will be Widow Paul. He is among the leading money winners with two victories and has been in the money in nearly all of his starts. Billy Arthur, Amboy, Ill., and driven by 32-year old Bob Wagner, will be given plenty of backing before post time.

With Bowman Dairy company 25 years

Glenn W. Johnson, 140 W. W. Lane, Arlington Heights, was welcomed into the Bowman Dairy Old Timers Club this week by Dr. David B. Peck, company president.

The Old Timers Club is composed of almost 600 Bowman employees with service records of twenty-five years or more. Mr. Johnson began his service record May 4, 1925.

He is Supervisor of Producer Relations and Motor Transportation at the company's General Offices at 140 W. Ontario St., Chicago.

Oak Brook race meet June 17; list 6 events

Plans are being speeded up for the third annual running of the Oak Brook race meeting and steeplechase, set for June 17 on the course at Cermak rd. (route 55) and Cass rd.

Mohlman announced that the contests in the order of running, starting at 2 p. m., will be a race for polo ponies, the Longmeadow Hounds hunter race, the Fox River Valley hunt race, the Millcreek Hunt hurdle race, the Oak Brook challenge cup race, and a race limited to women riders.

The events, he added, will draw horses and drivers from the middle west and eastern states. Closing date for entries is June 10.

Admission to the event will be \$1.20, including tax. Requests for reserved parking spaces calling also for four-admission tickets should be addressed to the Oak Brook Polo Club, Hinsdale, Ill.

New ideas for that home

THE BARNARD is planned with a surprising amount of livable space compacted into a small area, without waste. It is designed for a narrow lot.

The living room has corner windows and a fireplace on the outside wall. Entrance to the living room is through a vestibule equipped with a convenient coat closet. The bathroom hall holds a linen cabinet and clothes closet, and leads to one large and one smaller bedroom. The grade entry has a handy coat closet on the landing. This entry opens to the full basement and kitchen. Cupboards in the kitchen are grouped in a U-shape, leaving ample dining space. The combination working-dining room has a view of both the front and side yards. Frame construction is used

throughout. The Barnard with siding and an asphalt shingle covered roof. Concrete block construction can easily be substituted for the frame, if desired.

Overall size of The Barnard is 24 feet wide and 36 feet long. Ground area is 838 square feet with a cubage of 16,508 cubic feet.

For further information about The Barnard write the Small House Planning Bureau, St. Cloud, Minn.

Presenting the Younger Generation

Winsome Threesome

Here are George, Jeffrey and Dedee Palmer, children of Mr.

and Mrs. W. F. A. Palmer, of Rural Rt. 2, Huntley, Illinois.

The Palmer family moved from their former home at 636 S. Burton, Arlington Heights, about one month ago, and are now living on a farm.

George, the oldest child, is 4 years old, has brown hair and blue eyes. Next is Jeffrey, 1½ with blond hair and blue eyes. And in between come 3 year old Dedee. She has blue eyes and brown hair.

We were unable to contact the parents for any further in-

formation.

Only Child

Little Ann Woods is just a baby, a wiggly playful one at that! "Never holds still a minute," stated Mrs. Woods.

She is the only child of Mr. and Mrs. W. C. Woods of 37 S. Ashland, Palatine. She is 14 months old, has blonde hair and blue eyes.

"Ann likes to be out-of-doors and plays alone contentedly," said her mother. Her baby buggy is a favorite toy.

Auto race to honor late Rex Mays

Big car auto racing will honor the late Rex Mays, one of the sport's all-time greats, Sunday afternoon, June 11, with the unveiling of a bronze tablet prior to the start of the 100-mile AAA national championship race at the Wisconsin State Fair park, Milwaukee.

The event, honoring the lanky Californian who thrilled speedway fans for many years, will be called the Rex Mays Century Race, a title to be borne by all future June AAA championship races in Milwaukee.

The plaque, provided by President Tom Marchese of the Wisconsin Auto Racing association, will be installed in the south turn outer retaining wall, marking the spot where Mays spun his car out of a race in 1948 to avoid running over an injured driver who had been thrown to the track. Ironically, an accident similar to this one cost Mays' life in a race at Del Mar, Calif., last November 6.

Mel Hansen, a close friend of Mays and present holder of the one-mile record (37.27 seconds, 96.8 miles per hour), will be on hand for the brief ceremony. Hansen, currently on the road to recovery from an accident in Detroit last fall, drove the Mays midget for several seasons and succeeded Rex at the wheel of the famous Bowes Seal Fast Special.

Marchese, back from Indianapolis, reported that many stars of the Hoosier 500-mile classic have entered the June 11 Milwaukee race. Troy Ruttman, the Ontario, Calif., speedster, filed his entry and will drive the same Bowes Special which Hansen used in his record-breaking run at the fairgrounds last August 28.

Don't spare rod to save trees from lightning

Sometimes it pays to know enough to stay out in the rain. If you're caught in a rain-squall don't seek shelter under a big tree. At this time of year, a sudden electrical storm may make the tree a death trap rather than a haven.

Such is the advice of L. I. Cobb, field representative of the Davey Tree Expert Co., who points out, the bigger the tree the better lightning target it makes.

Mr. Cobb debunks some old of trees are immune to the propensities that certain species verbal bolt from the blue. Any tree may be hit. Taller trees are more likely to be smitten. They lessen the distance between clouds and earth. Other factors that make for susceptibility are isolated trees on high grounds, deeply rooted trees, trees in rather wet or moist soil and trees with thick bark that becomes soggy.

To protect those on the home grounds and to minimize dangers of life and property tree rodding is the accepted preventive. This calls for special knowledge as well as climbing ability. Above all, the home owner is cautioned against essaying the rodding project on his own.

As a matter of fact installation of rods on two or three of the tallest trees on a property may protect many other smaller neighbors. Each rodded tree has a "cone of influence" which sheds protection. Effects of lightning run the gamut from negligible damage to complete destruction. Since the most likely victims are the biggest and best trees, it is best to call in experienced tree men to survey rodding needs.

Northwest Cub Scouts to stage huge fair Sunday

Cub Scouts of the Northwest Suburban Council, representing a large number of the suburban communities northwest of Chicago, will stage a huge Cub Fair in Rand Park, Des Plaines, Sunday, June 4.

Planned by Ralph Spoo, the Council's Cub Commissioner, Des Plaines, and Assistant Scout Executive Frank Griffin, Park Ridge and a committee of Scout leaders from the Council, the event brings together more than 2000 Cub Scouts and their parents for an event unique in Cubbing.

REGISTRATION of the Packs will begin at 3:30 p. m., with Cubmasters reporting their Packs present and being assigned specific areas. Each Pack will present an exhibit of handicraft and a special swapping session is planned for late afternoon. Midway games set up by each Pack will hold the crowd's attention during the early afternoon. A potluck supper has been arranged by each of the Packs. Special badges for participation in the event, the first of its kind held within the Council, will be awarded each Cub, Den Chief and Scouter in attendance.

Scout Executive Stan Huntington, together with Council officials, will hold forth with a Paul Bunyan Pancake Kitchen where the batter is mixed in a cement mixer, poured from gleaming new coal scuttles and fried on a giant sized griddle. Another novel feature will be the biggest and smartest Cub Scout in the world who will answer all questions on Cubbing.

Drum and Bugle Corps of Pack 213 and Troop 13 will lead the parade of all the Cubs as they pass in review before their parents and friends, climaxing with color ceremony at 6:00 p. m. Cubs will then march to a huge council fire meeting where ceremonies of all kinds will be held under the direction of Marty Freeman of Arlington Heights. New Cubs will be inducted by the ceremonial team from Pack 232 of Arlington Heights.

A MASS GRADUATION into the Boy Scouts and mass presentations of the Webelos and advancement awards will also take place, with Council President Bill Kratt making the presentations. Climax of the evening council fire will be a colorful Indian pageant presented by the Council Order of the Arrow group.

The American Red Cross will maintain an ambulance and first aid station during the event and the Council's newly formed Emergency Service Unit of older Scouts will assist. Local authorities will assist in handling the traffic that is anticipated and veterans' groups in Des Plaines are assisting in various ways.

Only registered Cubs and Cub leaders as well as their families are admitted to the event expected to end at 8:30 in the evening.

Kenneth Moeller new Rural Youth prexy

North Cook Rural Youth met at the Palatine Legion Hall for its regular monthly meeting, May 18.

The most important business of the evening was the election of the following officers: president, Kenneth Moeller; vice-president, Roy Gustafson; secretary, Lois Scharringhausen; treasurer, Roger Rodewald; recreation committee, to be appointed; publicity committee, Irene Rodewald, Ralph Boesche; executive committee, Ruth Hummel, Earl Boesche.

Following the meeting Robert Paddock gave us an interesting talk on how a newspaper is published. He showed us the various kinds of type and different advertising mats.

Mr. Schmidt showed us two films that were enjoyed by all, one was a film on the F.B.I., the other was an Abbott and Costello movie.

The officers had a special meeting May 23 at the Farm Bureau to make plans for the summer meetings.

The next meeting will be June 15 at the Boesche home in the form of a lawn party. New members are always welcome at our meetings. For further information contact any of the officers.

Barrington honors retiring police chief

Three hundred Barrington residents and a few invited guests honored retiring Police Chief Baade last week at the Barrington high school. Following a banquet congratulations showered upon the chief included a new Chevrolet and purse and many kind words from officials and police officers from neighboring towns.

Cook County sheriff's office was represented by Morris Green, chief of the highway police; Walter Atkinson, chief deputy of Lake county; Chief Skoog of Arlington and Chief Moehling, of Palatine were among the guests.

Baade has been chief 23 years and is retiring at the age of 54. He will enter private life June 1st.

Soil testing labs maintained as service to farmer; urge use of same

"How often do farmers come in from November to March with a couple of frozen, soggy clods of dirt, they have kicked nose from a frozen field, wanting a soil test right away as limestone or phosphate is about to be put on one field or another," says Farm Adviser Hughes.

"Often folks don't seem to understand why it can't be done or why be so particular.

"A SOIL TEST made correctly is a chart a farmer can follow for the next five or ten years in the improvement of his farm. There is no point in a retest until after the farm has been operated sufficiently long to cause a distinct change in the fertility level. The soil test is a valuable asset in establishing a proper rotation of crops and use of livestock. The rotation should go around twice at least. Then a check up may be made to indicate the progress or omissions. Since 40% of the net farm income depends on right use of land and the value of a test becomes more apparent.

"Accurate testing depends on accurate sampling. Dirt from one place in a field represents that one spot. But a test with a dozen samples, each a composite of three or more samplings gives a picture of the field. These samplings may be made best in the summer time preferably when crops, especially corn is not too high. Instructions on taking soil to test should be followed carefully if performed by the owner. Frequently the owner would like the tester to take samples. In this case the tester should be given opportunity to get samples during the open season. Last fall at the last minute over 3,000 acres applied for testing service. It was so late Mr. Cletcher could not get to these farms to take samples.

"The Soil Testing Laboratory is operated on a non-profit basis as a service of Farm Bureau to farmers. The laboratory and Mr. Cletcher, the Soil Tester, works under the supervision of the Soils Department of the College of Agriculture at Urbana. The Farm Adviser has supervision over the county laboratory. Practically every county in the state maintains soils laboratories. Farmers wishing to take their own samples should secure test sheets from either Farm Bureau office, or leave requests for sampling giving the location of the farm to be tested. Application may be made directly to Mr. H. L. Cletcher, Route 1, 131st & Bell rd., Lockport, Ill.

"COSTS OF TESTING have advanced slightly due to increase of testing solutions. About \$5.00 is the cost for a complete test for 40 acres. Sampling is 10c per acre. The interpretation of tests made is based on results obtained from experimental soil fields of the state.

"Our tests to date indicate that the farm use of fertilizers as limestone and phosphate is about 75% accurate. The savings alone in the other 25% saves the cost of testing many times. However, the advantages from proper use of fertilizing materials is many times more than this small cost. With the leveling off of farm prices, it is every farmer's advantage to make the best possible use of all means to secure economical and maximum costs for farm crops."

Dandelion Salad
A favorite dish in the French province of Champagne is dandelion and bacon salad. According to connoisseurs, proper preparation requires long stirring in a salad bowl resting on warm ashes.

Recommend changes in fly spray this year

Because some flies have developed resistance to DDT, spray recommendations for fly control are being changed in 1950, announces Farm Adviser C. A. Hughes.

Lindane, chlordane, and methoxychlor are now recommended.

THE GENERAL occurrence of DDT-resistant flies was shown by a survey made in the fall of 1949 by H. B. Petty and W. N. Bruce, insect specialists in the Illinois College of Agriculture and Illinois Natural History Survey.

They collected maggots from about 140 farms scattered all over Illinois and grew them to adults in the laboratory. Samples from about 85 farms lived and were sprayed with DDT.

Among the 85 samples, they found 73 of them—or 87 percent—which showed some resistance to DDT. And a few of them were extremely resistant.

Two things account for the stronger resistance, explains Hughes. There is a natural selection of resistant strains when we have large numbers of flies, as we did last year because of poor sanitation. Second, if fly breeding places were sprayed with DDT and some maggots lived, they had a very high resistance to the chemical.

"IF WE KEEP ON using DDT, we can build up the flies' resistance to it fast," declares Petty.

So this year lindane is recommended as a spray for dairy barns or methoxychlor if you can't get lindane. For other buildings, you can use lindane or chlordane.

Methoxychlor and activated pyrethrins are recommended for spraying directly on dairy cows. Methoxychlor is suggested for beef animals within 60 days of market, and DDT if they're sprayed at least 60 days before marketing.

Lauffenburger enters additional litters in Duroc sow-testing program

John Lauffenburger, of Palatine, has entered 2 additional litters of purebred Duroc pigs in his breeders official sow-testing program, according to word received from B. R. Evans, Secretary of the United Duroc Record Association, Peoria, Ill. This makes a total of 7 litters under test in the Lauffenburger herd.

"PR" or Production Registry, as the official testing program is named, is now being followed by all major hog breeds and is based on weights of litters at 56-days to test both the production and suckling ability of the breed sow as well as the gaining ability of the nursing pigs. Extensive statistics prove that heavier 56-day weights mean heavier 180-day weights and are of interest to all farmers desiring seed stock from "officially tested" strains of faster growing purebred hogs.

As in cow testing, certain minimum requirements must be met to qualify the sow and her litter. Minimum requirement for a PR qualifying litter from a mature sow is 8 pigs or more raised to an official 56-day litterweight of 320 or more pounds. Farrowing report and 56-day weights both must be certified by an official witness.

STATE SOIL CONSERVATION BOARD OF ILLINOIS

Notice of Hearing

UPON ORGANIZATION OF PROPOSED COOK COUNTY SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN COOK COUNTY, ILLINOIS.

WHEREAS, on the 14th day of April, 1950, there was duly filed in the office of the State Soil Conservation Board at Urbana, Illinois, a petition signed by 55 percent of the landowners who own land within the proposed soil conservation district, pursuant to the provisions of the Soil Conservation Districts Law, approved July 9, 1937, and amended in 1943, requesting the establishment of the Cook County Conservation District, and

WHEREAS, the lands sought to be included in the said district by said petition comprise lands in Cook County, described substantially as follows:

The land in Barrington, Palatine, Wheeling, Northfield, Hanover, Schaumburg, Elk Grove and Maine Townships in Cook County except all incorporated and unincorporated villages, all cemeteries and golf courses.

NOW, THEREFORE, notice is hereby given that a public hearing will be held pursuant to the said petition, on the question of the desirability and necessity, in the interest of the public health, safety and welfare, of creating such district; on the question of the appropriate boundaries to be assigned to such district; on the question of the property of the petition and of all other proceedings taken under the said Act; and on all questions relevant to such inquiries. The said public hearing will be held by the State Soil Conservation Board on the 9th day of June, 1950, beginning at 8:00 o'clock, P. M., CDT, at Farm Bureau Bldg., in Arlington Heights, in the County of Cook.

All persons, firms and corporations who shall hold title to any lands lying within the limits of the above-described territory, all land occupiers within the proposed district, and all other interested parties are invited to attend and will be given the opportunity to be heard at the time and place hereinbefore specified.

STATE SOIL CONSERVATION BOARD
By Roy E. Yung, Chairman.
Dated: 2nd day of June, 1950.

Hearing on soil conservation district June 9

Ralph Hay, Secretary Illinois Soil Conservation Service, has notified C. A. Hughes, Farm Adviser that a hearing will be held at the Farm Bureau office, Arlington Heights, Friday evening, June 9, on the organization of a Soil Conservation District in North Cook County.

Petitions signed by over 55% of the farms in Barrington, Palatine, Hanover, Schaumburg, Wheeling, Elk Grove, Maine, and Northfield townships have been submitted to the State Board and accepted.

The law requires that a hearing shall be held to ascertain that such district is necessary and will serve the farmers of these townships. If farmers appear and indicate such desire to have a district, it will be established and a soil conservationist assigned to the territory. Such district will operate under the supervision of an elected board of farmer directors who will work with the soil technician. Such work is wholly of an informational nature to farmers, and this participation is voluntary.

"The history of these districts," says Farm Adviser Hughes, "is that progressive farmers find the services of the district more and more valuable as they learn more of the benefits that can be derived from it. We ask interested farmers to attend this hearing at 8 p. m. June 9."

Legumes, dairy cattle make profitable combination

Good legume-grass hay and pasture land is helping Henry C. Hartman, McHenry county dairyman, climb the agricultural ladder from tenant to owner lots faster than normally.

Hartman started as a tenant some years ago and bought his 148-acre place from this land-lord after a few years.

HE'S NOW FOLLOWING a 4-year rotation of corn-oats—2 years of alfalfa—brome-grass. The four fields are each about 30 acres in size, with the rest in permanent pasture. He feeds the corn to hogs (puts up no silage for cows), and some corn goes to his 800-1,000 laying hens. But the real pay-off is Hartman's return from one 30-acre alfalfa-brome field in 1948 and 1949.

In 1948 he pastured 42 milk cows and 15 heifers on 30 acres during the entire season (from about May 1 to hard frosts). He did that by dividing the

1470 Miner St., Des Plaines

field into four equal-sized small-plots for alternate grazing. Besides the pasture forage, he took off 65 tons of hay. He fed no grain during the summer either.

In the spring of 1949, Hartman pastured his 42 milk cows on that same pasture for one month and took in \$1,500 in milk checks, or a return of \$50 an acre. Then he plowed the land in May for corn and grew 60 bushels an acre, in spite of a very late season and a rather dry summer. Nitrogen and organic matter in the legume plowed under helped boost corn yields. During the winter, the cows get only grass silage from the other alfalfa-brome field, a little grain, and plenty of hay.

McHENRY County Farm Adviser W. H. Tammes points out that Hartman has a fairly large, diversified farm business on a relatively small acreage. And complete soil treatment according to needs as shown by soil tests has probably had a lot to do with Hartman's success. He is a former 4-H'er and at present is a soil conservation district cooperator.

To make alfalfa grow, you need to feed it the plant foods it needs. Getting the land in condition to grow legumes is our first step in Cook County to follow the state-wide Illinois legume-grass program, the adviser says. Legumes and cows have certainly paid off handsomely for Hartman.

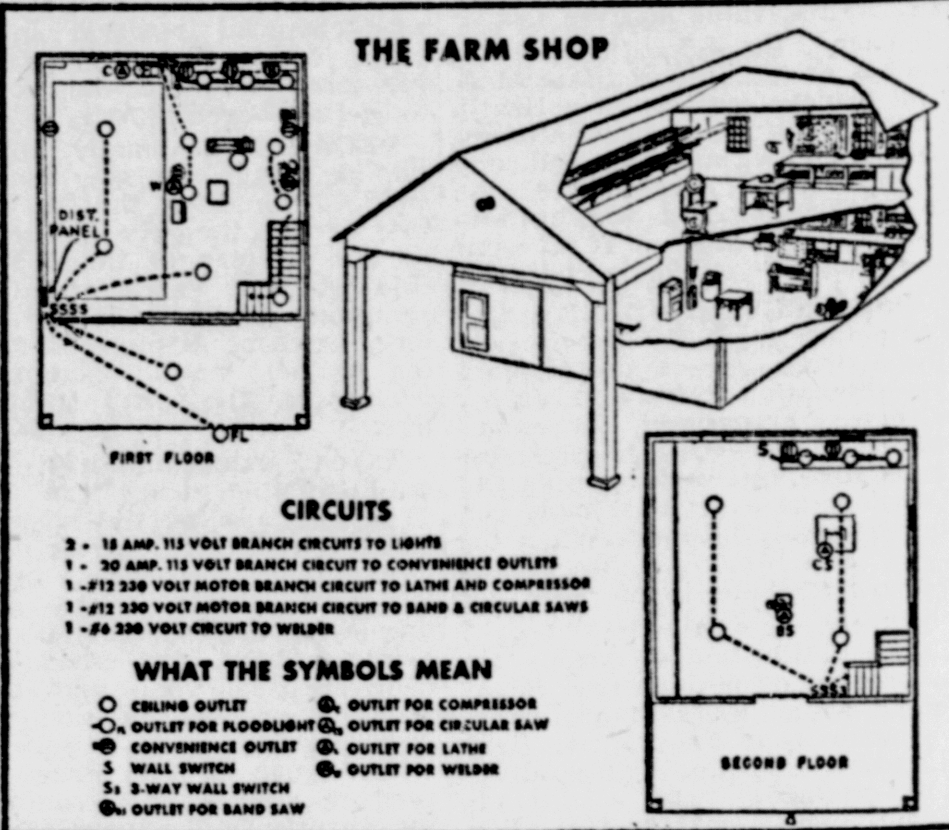

WAGE TALE
General Motors Corporation reports paying out \$404,000,000 in wages and salaries for the first three months of 1950. That's an average per employee of over \$71 a week.

Shop Needs Good Tools and Adequate Wiring

You Can Work With Metal or Wood in This 2-Story Shop

By IRA MILLER
Farm Electrification Bureau

The farm shop is one of the most important buildings on the farm. This is so, particularly, on those farms where several types of equipment are used. For repair and maintenance costs come high—unless that work can be done at home. It is small wonder, therefore, that one of the first desires of many farmers is for a work shop which is efficiently designed, adequately wired, properly lighted and well equipped with hand and power tools.

The two-story shop, illustrated above, answers these requirements—and more. Since it makes provisions for both wood and metal working, the canopy over the front door enables the farmer to make repairs outside during rainy weather. And the shop is big enough so that machinery can be moved inside where work can be done during the winter season.

Lights, for general illumination, are installed on the basis of one for every 200 feet of floor area. "Work" lights include one for each permanently in-

stalled piece of equipment and one for every 10 feet of bench length. The stairway from the first to the second floor also is well lighted.

There are two 230-volt motor branch circuits in the shop shown—to serve the lathe, air compressor, band saw and circular saw. Also there is a No. 6 wire, 230-volt branch circuit to serve the limited-input transformer-type arc welder. Welding is growing in popularity on farms because its use permits repairs to be made without having to remove broken parts from damaged machines. And then electric welders are used more and more by farmers who have a knack for building some of their own equipment and for modifying standard equipment to suit their own special needs.

The shop, shown, also has eight duplex convenience outlets for use of small electric tools, drill press and grinder. As will be noted, information about electrical circuits and electrical symbols shown on the plan, appear below the isometric sketch of the shop in the above illustration.

LAW on the FARM

Contracts with custom
spray operators

During 1950 thousands of Illinois farmers will employ services of custom ground and air spray operators. There are at least two good reasons why a farmer should be careful in employing such services and why he should have written contract if the spray job is a sizeable one: (1) he should be assured that the materials and skill which go into the job are satisfactory; and (2) he should be certain that the operator carries insurance which will protect the farmer for injury to the crops and livestock of adjoining owners.

SUGGESTIONS FOR covering these important points are contained in the following paragraphs taken from a custom spray contract form prepared in the Department of Agricultural Economics at the University of Illinois.

"The custom operator will use only appropriate and effective materials prepared and mixed according to scientific standards for the particular purpose, and will apply such materials in proper strength and in an approved manner.

"The farm operator will be reimbursed in full by the custom operator for any injury or damage resulting from defective materials or faulty application, or from negligence on the part of the custom operator in carrying out the operation.

"The custom operator agrees to maintain insurance which will

reimburse the farm operator for any damage he may be required by law to pay other owners who suffer injury to crops, livestock, or trees as a result of spraying operations.

"The custom operator releases the farm operator from liability for any injury or damage suffered by the custom operator or his employees in the discharge of this contract."

DRAINAGE commissioners and other public officials who contract for spray or dusting jobs should also require insurance protection on the part of the operator.

Besides providing some protection from a poor job and from liability, a contract may be used to specify the area to be treated, the time and number of treatments, the rate of payment, and other items that must be agreed upon. A good contract will serve to protect not only the farmer, but the custom operator as well.

DIESEL DATA

The average Diesel locomotive running on the Central of Georgia estimated at \$21,787 a year on because a Diesel-powered liner does the work of two steam trains the line reports a saving estimated at \$21,787 in year on each of 42 Diesels operated. This is an 18 per cent return on the investment, the road points out.

JUST DOGS

Mrs. F. W. Evanger,
Wheeling, with Great
Dane puppies

In accord with your dog editor's plan to write from time to time on the subject of some outstanding dog kennel and breeder in the area served by your paper this article will have to do with a recent trip he made to Wheeling, to the home of Mr. and Mrs. F. W. Evanger, owners of the Regnave Great Dane Kennels, and without a doubt one of the largest Great Dane kennels in this part of the country.

The Evangers started to raise and breed German Shepherds back in 1931, however, their change-over to Great Danes was something in which they were both and still are greatly interested. The kennels are somewhat unusual in that each run is completely covered with screening which does a great deal toward getting rid of the fly problem with which many kennel owners are confronted. When you consider that the Evangers have around 30 dogs in the kennels most of the time it also should give you an idea as to the size of the place.

One thing which was of interest to your editor was just what dog Fred Evanger considered the greatest he had ever owned. Fred came back with the reply that the Tri-International Champion "Tiger Hexen-gold of Brae Tarn" was without a doubt the finest Great Dane he ever had. "Tiger" was whelped Jan. 27, 1935 and died June 19, 1940 after having won honors in Germany, Austria and the United States.

At the present time what with keeping up with their business which is right next door, work around the kennels and taking care of visitors the Evangers have another matter which takes a great deal of time and that is the television show "The Pet Shop" which Mr. Evanger sponsors in connection with the sale of a prepared canned dog food which is made at the Evanger's factory in Wheeling.

This television show by the way has had a continued success and comes in over station WNBC-TV, channel 5, every Tuesday evening at 5:30. The show itself has of course as its main theme the subject of dogs, but keeping in mind the fact that everyone does not have a dog, Mr. Evanger, who has a high regard for all pets which people may own, has required that the program deal not only with his own subject of dogs but pets in general.

To continue on with the subject of Great Danes perhaps a very short description might be in order, however, there are not many people in the opinion of your editor who have not at one time or another seen a Great Dane or at least a picture of the giants in the dog world reaching a height of not less than 30 inches at the shoulder for males—as a matter of fact 32 inches and over is preferable—and 28 to 30 inches for females. The head is large and rather tangular when carried well up and if cropped as they are in this country should be straight up. The body is large with a deep brisket or chest, long well muscled legs with large well padded feet. The tail is long and carried rather low. The color can be fawn, blue, black, harlequin, or brindle and all within set limits are recognized by the American Kennel Club.

One thing is of interest among the breeders of Great Danes and that is that many of them are trying to get back to the idea of raising and breeding large dogs. The Great Dane himself stands out in the dog world as one of the best and around children he is really at home even though he gets rather rough treatment.

It is of interest to note that one of Fred Evanger's foremost theories on the subject of breeding these dogs is that anyone can breed and raise a Dane, but it does take a love of dogs to really breed a Great Dane and keep him great. Some people today are breeding the Great Dane down to a smaller size when actually he is really a large dog and should be bred as such.

BAKED BEARINGS
Infra-red rays, long a valuable medical ally for diathermy treatments, are used by SKF Industries to rid ball and roller bearings of moisture that might impair their precision. Some large bearings are "cooked" as long as three hours.

Wheat allotments for 'new farms'

The County PMA Committee is now undertaking the preliminary work in connection with 1951 wheat allotments. As provided by law, a regular allotment will be established for a farm on which no wheat was seeded for harvest in any of the years, 1948, 1949, or 1950.

However, producers on farms on which no wheat was seeded the last three years may apply for a 1951 wheat acreage allotment according to Carl M. Boromet, Chairman of the Cook County Production and Marketing Administration. To be considered for a new wheat farm allotment, the producer must apply in writing to his County PMA Committee by June 9, 1950 on a special application form available at the County PMA Office.

However, the total amount of the wheat allotments which can be granted to new farms in the county is quite small. Allotments determined for such new farms will be at the expense of the established old grower who is asked to reduce his acreage. For this reason, Mr. Boromet explained, only requests showing unusual conditions which make the growing of wheat necessary in the farming operations can be considered.

Bits o' business

Automobile output is still climbing. First-quarter figures topped the comparable 1949 period by 19 per cent. Last year, incidentally, marked an all-time high for the industry. . . . Tea paradox? Englishmen will be imbibing less tea than their American cousins this summer. With coffee prices up, this country is now drinking more tea than it used to. Britain, on the other hand, is cutting its two-and-a-half-ounces-a-week ration to two ounces in July. . . . Rising costs may put a damper on swelling homes sales, in the opinion of many builders. One solution to the problem: some builders, absorbing cost increases themselves, are pocketing smaller profits.

IT'S YEARS AHEAD! NO OTHER LIKE IT!

Culligan Soft Water Service

Ask farmers to buy U.S. savings bonds during drive

"Buy U. S. Savings Bonds and save for your own independence."

With this slogan, Cook County farmers are being asked to take part in the "Independence Drive" sale of U. S. Savings Bonds from May 15 through July 4.

Farm Adviser C. A. Hughes points out that there are several reasons why farmers and their families should be interested in the investment features of savings bonds.

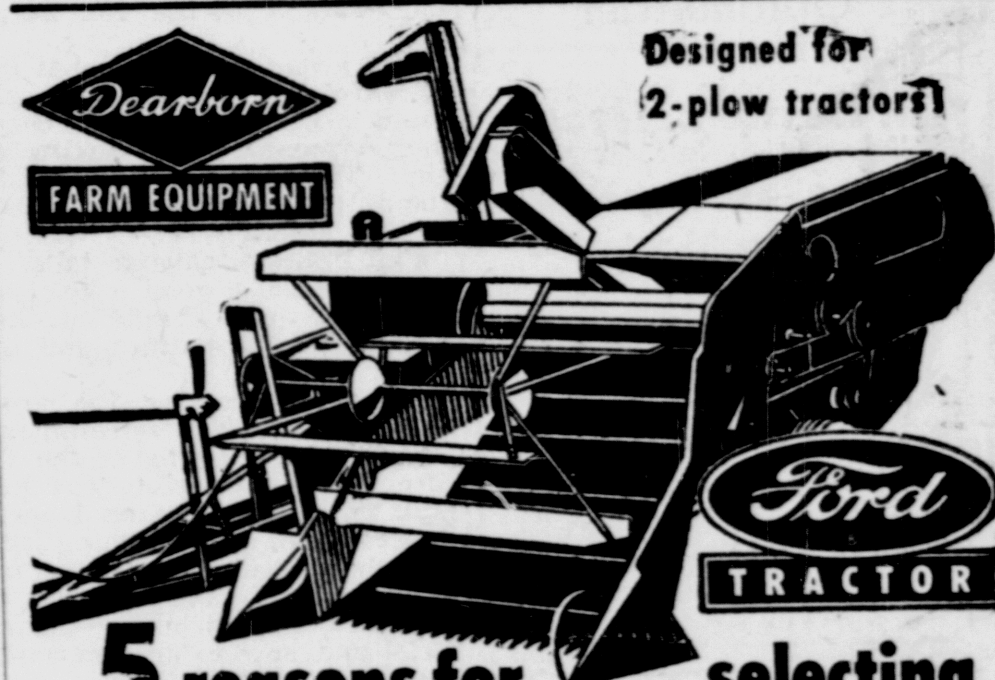

Purchase of these bonds provides a financial surplus to help cover crop failures or disease in your herds or flocks. They help protect against unexpected sickness or accidents within the family. They help replace worn-out or outmoded farm and home equipment. They provide a surplus of money for the retirement days when you want to "Take it easy."

HUGHES SAYS that U. S. Series E Savings Bonds make an ideal financial reserve for farmers, because they are so easy to buy at any bank or post office and so easy to cash at the same places. They earn you interest on your money at the rate of 2.9 per cent when held ten years to maturity.

Farmers now own more than \$3 billion in government savings bonds, which is nearly as much as the total farm real estate debt of the country. And millions of other Americans regard savings bonds as a good investment.

Help raise Illinois' quota of \$56,048,000 in Series E bonds, and build your own security at the same time.

Q. Will you please give me the names commonly given to the most generally celebrated wedding anniversaries?

A. First year, cotton. Second year, paper. Fifth year, wooden. Tenth year, tin. Twelfth year, silk and fine linen. Fifteenth year, crystal. Twentieth year, china. Twenty-fifth year, silver. Thirtieth year, pearl. Fortieth year, ruby. Fiftieth year, gold. Seventy-fifth year, diamond.

Q. Will you please settle this question for us? When a man is walking along the street with two women, does he walk between them?

A. No; he always walks on the outside of the two women.

Q. Is it proper to unfold a napkin completely when placing it on the lap?

A. No; one fold should always be left in the napkin.

Q. Which name should be mentioned first when introducing two women?

A. If there is quite a difference in ages, the younger woman.

Banquet climaxes 3-day convention of Illinois Federation of Women's clubs

Three days of reports, outstanding speakers, and fine musical entertainment at the Illinois Federation of Women's Clubs Convention climaxed with a banquet at the Hotel Sherman the evening of May 11. Awards in the Kroger "Build a Better Community" contest were presented at that time by Mr. Roy W. Godley of the Public Relations Department of the Kroger Company. The Arlington Hts. Woman's club won honorable mention in Class A for its support and work on the Memorial Library.

The 132 clubs in Illinois entered in the contest were divided into three groups:

Group A—more than 150 members—32 entries. Winner—Dixon Woman's club for the planting of trees and the raising of an \$800 fund for the maintenance of a flower route through Lowell Park.

Group B—51 to 150 members—45 entries. Winner—Rantoul Junior Woman's club for contributing the passing of a \$49,000 library bond issue and earning and donating \$1,000 for the equipment in that library.

Group C—up to 50 members—47 entries. Winner—Bryn Mawr Junior Auxiliary for alleviating the bad smoke situation and thus making their community a cleaner and more healthful place in which to live.

In the state, \$100 was given to the winning club in each of the three groups. In addition, a \$200 sweepstakes prize was awarded to the club judged best among those winning first prize in each group.

The Sweepstakes winner, Rantoul Junior Woman's club, will compete with the sweepstakes winners from other states for the national prizes to be given at the convention of the General Federation of Women's Clubs to be held in Boston from May 28 to June 4. First prize will be \$5,000, second prize, \$3,000, and third prize, \$2,000.

Mrs. Milton C. Haase, president of the Arlington Heights Woman's club, will attend that convention as delegate.

Twelve members of the Arlington Heights Woman's club were present at the banquet to receive the honorable mention certificate. They were: Mesdames F. D. Barney, Dewey

Beck, Ralph Clabaugh, Norman Crandall, J. C. Feddersen, Milton Haase, E. J. Harris, P. R. Ramsey, W. H. Spears, Charles Stadelman, George Tuttle, and A. Wiegand.

Mrs. Ramsay served as a registrar for visitors May 9. Mrs. Haase attended convention all three days and marched with Mrs. Tuttle in the Presidents Processional for all incoming and outgoing presidents in the state Tuesday evening.

Mrs. Feddersen attended the Tuesday daytime sessions, Mrs. Reuben Conrad, Tuesday evening, and Mrs. Crandall and Mrs. Wiegand on Thursday.

Thursday morning announcement was made that the Arlington Heights Woman's Club's publicity scrapbook had received first prize in the state in Class C.

'Where Do They Get Polio' topic of lecture

"Where Do They Get Polio?" is the topic of a lecture to be given June 2 by Dr. Maryland Burns Byrne. She will speak in the auditorium at 1340 West Washington Boulevard, Chicago, 8 p. m.

The American Society of Sanitary Engineering (Illinois Chapter) is sponsoring the meeting for the medical profession, civic leaders and others interested in public health. Admittance is free.

Working under grants from the Society, Dr. Byrne has made case-by-case studies of poliomyelitis epidemics in Florida, Texas and California during the past four years. She has studied approximately 10,000 cases and has found numerous common denominator factors which appear to be associated with the spread of the disease. Such sanitary factors as food, water, milk, sewage and insects will be discussed.

Dr. Byrne will be introduced by Dr. E. A. Piszczek, formerly director of the Cook County Public Health Unit and now controller, Suburban Cook County Tuberculosis Sanatorium District, who will participate with her in a question and answer session following the lecture.

5-DAY BANKING WEEK

Beginning Wednesday, June 7, 1950, and on Wednesdays thereafter, this Bank will not be open for business.

BANKING HOURS ON OTHER WEEKDAYS
8:30 A.M. to 2:00 P.M.

Regular banking hours will be observed on Wednesdays which occur in any week in which there is a recognized legal holiday.

These new banking hours are in accordance with permissive legislation recently enacted in the State of Illinois.

You are invited to use our Night Depository and Bank-By-Mail facilities.

Medical society cautions 'public play safe with drugs'

The indiscriminate use of drugs can be costly, not only from an economic standpoint but in the value of lives lost or damaged, the Educational Committee of the Illinois State Medical Society cautions in a Health Talk. With the unfortunate emphasis today on sleep inducing agents called barbiturates, the antihistamines and the antibiotics as "cure-alls," it is no wonder that the public is confused.

PROPERLY HANDLED under competent medical supervision, these drugs have a useful place in alleviating pain and curing disease. Frequently, for example, it is necessary to prescribe a sedative, but sleeping pills and powders, a regular habit can be extremely harmful. When the body and mind are functioning normally, there is no need for drugs to make you sleep.

The antihistaminic drugs are a product of the research laboratory which marks the advance of medicine in the curative field. Handled carefully, these drugs are producing good results in some conditions related to allergy, but they are also causing severe reactions in certain individuals. Histamine is a chemical normally present in the body which, in some persons, is the factor involved in allergic conditions, such as hives, hay fever and other sensitivities. Thus the antihistaminic drug is a compound designed to fighting and noticeable tremors of the tongue, lips and fingers.

Don't listen to the flamboyant advertising on drugs. Be sus-

picious of anything that is presented as a "cure-all." Be cautious. You don't know how one this chemical reaction in the body, which makes some people more sensitive than others to certain conditions.

BECAUSE SO many antihistaminic drugs are now marketed does not mean that they are safe or that they are the answer to the mystery of the common cold which is characterized by symptoms similar to forms of allergy, such as itching and swelling of the nasal membranes, tearing of the eyes, and the like.

Taken indiscriminately, the antihistaminic drugs can kill. They can also be the means of causing death and injury, since they produce side-effects in certain persons that make them unsafe to drive a car, for example. These side-effects include nausea, vomiting, headaches, poor coordination and drowsiness.

Too much of one drug can produce toxicity or poisoning in the chemical substances of the body, a condition which results in drowsiness, a mental stupor, a difficulty in walking and talk-

? Questions On GI Bill ?

This is another in a series of questions and answers regarding the rights of ex-servicemen and their families, as answered by Otto Wegner, Veterans' Employment Representative, Illinois State Employment Service, 5306 West Lawrence ave. For further information, contact Mr. Wegner. In this series, the ISIES attempts to answer questions most frequently asked by ex-servicemen and women.

Question: What injuries are rated total disabilities for insurance purposes by the VA?

Answer: Any impairment of mind or body which continuously renders it impossible for the veteran to follow any occupation. Permanent loss of both hands, or both feet, or both eyes; of one foot and one hand, or one foot and one eye, or loss of hearing or the loss of speech will be deemed total disability for insurance purposes.

Question: If an employer hires through a union that maintains the seniority roster, to whom would the veteran look for his seniority rights?

Answer: It is the employer's responsibility to restore the veteran to his old job without loss of seniority, or to a job of similar seniority, status and pay, unless circumstances have so changed as to render it impossible or unreasonable to do so. Where a union maintains the seniority roster, it is the employer's responsibility to request the union to certify the veteran for re-employment in the job to which he is entitled, without loss of seniority guaranteed to him under the re-employment statutes.

Question: If there is no collective bargaining contract governing seniority of ex-servicemen in the positions they left to enter service, how would their seniority be determined?

Answer: In the absence of a contract the established practice or custom of the employer would be substituted for the contract. In the absence of either a contract, practice or custom, length of service would control.

Reactions are Appreciated.

Nylon, seersucker garments best for flying Pacific vacation

Planning a flying vacation in the Pacific? Bunny Laird, crack stewardess for Pan American World Airways, has a tip or two for the ladies: "Take nylon and seersucker garments—and easy-fitting shoes."

Bunny, a veteran of three years of flying over the Pacific, also warns: "Leave your iron home." In some of the capitals, like Manila and Hong Kong, the current is different and won't run your iron unless it has a converter.

Besides, she says, most of the cities of the Orient have good laundry and pressing services.

She says: "But for the utmost in convenience I always advise women to carry a seersucker dress or suit, nylon undies and blouses—things that can be washed quickly and don't need pressing."

She counsels carrying your own soap powder along in small packages, each one enough for rinsing out the day's garments. It's also well to have your own toilet soap along for places like Japan where it's not readily available.

In Hong Kong, Bunny points out, the best of American, British, and French toiletries and cosmetics are sold at low prices because this British Crown colony is a free port where no taxes are assessed. "Get your perfume there," she says.

In Hawaii, of course, the shops stock exactly the same cosmetics as on the mainland and at the same prices usually. In Manila American lipstick and cosmetics are sold at higher prices.

CANNED EATING ON INCREASE

Per capita consumption of canned fruit and vegetables has increased from less than 39 pounds in 1925 to about 83 pounds now, American Canning reports.

Livestock Prices

Generally lower prices for livestock products are in prospect for 1950, partly as a result of increased supplies.

Lessons In . . . English

by W. L. GORDON

Words Often Misused

Do not say, "I am anxious to begin the work at once." It is much better to say, "I am eager to begin the work at once."

Do not say, "The recurrence of summer." Say, "The recurrence of summer."

Do not say, "The money we earn is not scarcely enough for expenses." Omit not. Say, "Is scarcely enough."

Do not say, "Because of the train being derailed, his arrival was delayed." Say, "Because of the train's being derailed."

The Scots is much preferred to the Scotch, when referring to the people of Scotland.

Do not say, "I read the letter he wrote with much interest." Your meaning will be much clearer if you say, "I read, with much interest, the letter he wrote."

Words Often Mispronounced

Cerebral. Pronounce with accent on first syllable, and not the second, as so often heard.

Contrite. The preferred pronunciation places accent on the first syllable, and not the second.

Mousse (a frozen dessert). Pronounce as spelled moos.

Initiative. Pronounce in-i-sh-i-a-tiv, all i's as in it, a as in ate, principal accent on second syllable, and place a secondary accent on the fourth syllable.

Occultism. Pronounce o-kul-tiz'm, o as in on, u as in cult, accent on second syllable.

Naivette (artlessness). Pronounce na-iv-ta, first a as in ah, e as in eve, second a as in take, accent last syllable.

Words Often Misspelled

Baptize, iz; baptism, ism. Plain (clear); plane (level); also a tool. Assessor; four s's, or. Gasoline, ine preferred.

kerosene, ene. Penitentiary; observe the two is and the a. Heir (one who inherits), though pronounced ar as in care.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Cryptic; hidden; occult; mysterious. "His speech contained a number of cryptic meanings."

Transcendent; surpassing others in excellence. "The countryside presented a view of transcendent beauty."

Incredulous; refusing belief; skeptical. "He listened with an incredulous mind."

Apprehend; to arrest. "The embezzler was soon apprehended by the police."

Advocate (verb); to plead in favor of, to support, or recommend publicly. "He advocated the suggestions made by the president."

Imploration; the act of calling for urgently; earnest supplication. "The people raised their arms in imploration."

PAA announces all backlogs cleared to Europe

Pan American World Airways today announced that all backlogs of passengers to Europe have been temporarily cleared with the addition of a second daily flight to London beginning June 1.

Last summer Pan American carried 6,300 eastbound trans-Atlantic passengers during July and August. Space available for the same two peak months this

year indicates a total of 10,600 eastbound passengers. Estimates made earlier in the year were for a 30 per cent increase in traffic during 1950 over 1949.

The daily extra flights are already more than half filled, the airline said. Space offered is in double decked Clippers having a normal capacity of sixty-one.

Highest Waterfall

Sputing from a cliff more than half a mile high in the jungle fastness of eastern Venezuela is Angel falls, world's highest waterfall. Fifteen times higher than Niagara falls, the cataract drops a total of 3,212 feet into the Churum river. Water spouts at its head are believed to be a city block wide.

Moody Bible summer school begins June 13

The 1950 summer school at Moody Bible Institute, 820 N. LaSalle street, offering special Bible training, gets under way this year June 13. The school is divided into two sessions of two weeks each.

The curriculum is designed to meet the needs of teachers, Christian workers, college and seminary students, high school graduates and others, with special electives for pastors and missionaries.

Among the subjects presented this summer will be Bible doctrine, Bible synthesis, Bible story telling, personal evangelism, voice and related subjects. Faculty members include Dr. C. Norman Bartlett, Harold E. Garner, Dr. G. Coleman Luck, Guy C. Latchaw, in addition to others from the regular teaching staff.

Inaugurated in 1934, summer school at the Institute has trained more than 1,400 in Christian work.

Modernization can give you 'new' homes cheaply

Getting a new house without having to buy one sounds like something dreamed up by a magician. Yet, according to leading real estate appraisers, it's no trick at all. Whether your home is five years old or 35 it can be converted into a dwelling with an "effective age" of less than a year—provided the original design was sound and the upkeep has been adequate.

THE KEY PHRASE is "effective age" which, as defined by appraisers, is "that age to which good original planning, modernization of kitchen, baths, heating system etc., plus maximum upkeep, have tended to reduce the actual age."

The secret is modernization. The actual age of your house may run to 30 or 40 years or more, but a complete renovating job can turn back the clock and "make it a child again."

Obviously, it takes a thorough face-lifting to convert a really old dwelling into a "new" one. According to an analysis by the Minneapolis-Honeywell Regulator Company, here are the major steps required to turn the trick:

1. A new roof and an insulation job.

2. Exterior and interior paint-

ing or wallpapering.

3. A new heating plant with automatic heat controls.

4. A modern kitchen, including such items as new cabinets, refrigerator, stove, electric dishwasher and garbage disposal unit.

5. A new tile bath, with fixtures.

6. A floor-sanding and refinishing job.

7. New plumbing installations and light fixtures if necessary, including new piping and new wiring.

8. Any necessary repair work in chimneys, gutters, wood-work, etc.

DEPENDING on the house and its condition, there may also be various other items needing attention. New screens and storm windows may be necessary, for instance. The entire renovating job, however—based on a typical six-room house in a good middle-class neighborhood—would run to no more than around \$7,000, according to the Honeywell study, probably a couple of thousand less. The net result is a "new" house which couldn't be purchased for more than twice that amount.

Weekly recipes

I'm sure everyone takes a considerable amount of pride in making and serving a delicious cake. Follow these directions carefully and I promise you a lighter, richer cake. It's superb filling makes it extra special.

Richer Devils Food Cake
CUSTARD PART

1 cup grated bitter chocolate
1/2 cup sugar
1/2 cup milk
1 egg yolk

Combine all in sauce pan and cook until thick, stirring constantly. Cool.

CAKE PART

1 cup sugar
1/2 cup butter
2 cups cake flour
1/2 cup milk
1/2 tsp. soda

2 tspn. boiling water

Cream butter; add sugar and mix well. Sift flour and add alternately with milk to above. Combine with cooled custard.

Dissolve soda in water and add to all. Pour into two well buttered cake tins. Bake in preheated oven at 350 degrees for 20 minutes.

FILLING:

1/2 cup butter cream
(soured cream)

3/4 cup brown sugar
2 egg yolks
1 tspn. flour

1/2 cup dates, chopped
1/2 cup raisins
1/2 cup pecans, chopped

Combine all except pecans and cook until thick. Add nuts and put filling between layers of cakes. Top cake with whipped cream.

"Pin Money"

An Old English New Year custom is responsible for the term "pin money." Pins were once very scarce and were sold only on January 1 and 2. According to the custom, English husbands provided their wives with sufficient funds on these days to purchase enough pins to last the entire year.

TAX FACTS

In this annual period of graduation exercises there is a strong moral not only for our young people but for every adult in the story of what's happening to sea gulls in the vicinity of St. Augustine, Florida, now that the shrimp fleet that operated there has moved to Key West.

The incident inspired J. W. Gore to write an editorial in the Fort Lauderdale Daily News which pointed out that the sea gulls, long accustomed to feeding on scraps and waste thrown overboard from the shrimp fleet, have forgotten how to catch fish for themselves. The free dinners made it unnecessary for them to use their own natural talents.

But suddenly, the shrimp fleet went away. The gulls have not been able to adjust themselves to the new situation. The reefs and shores around St. Augustine are lined with long, silent rows of gulls with their dark eyes turned prayerfully out to sea—waiting for the shrimp fleet and the free meals that won't return.

As generation after generation of gulls learned to depend on the shrimp fleet, parent gulls apparently forgot to teach their little ones the age-old method of catching fish. So today, the gulls are starving.

It is a paradox that nature thus gives us. Here are some of the most independent creatures of the universe, with talents to take care of themselves, victimized because they succumbed to the "something for nothing" lure. They became dependent to such an extent that parents apparently forgot to teach offspring how to get along otherwise. With the free food gone, the offspring of these indolent parents are paying the penalty.

We wonder of people aren't a great deal like the sea gulls of St. Augustine. We wonder how many Americans think it is no longer necessary to teach their offspring that the day of government handouts may sometime draw to a close. And we wonder then, how many Americans may be left like the gulls—puzzled and bewildered because their sustenance has disappeared and they have no resources of their own to fall back on.

Professional Scouts attend Nat'l camp school

The two professional Scouters of the Northwest Suburban Council, Stanley H. Huntington, Scout Executive, and Frank G. Griffin, Assistant Scout Executive, attended the National Camp School at Indian Mound Reservation, Oconomowoc, Wis.

Stanley H. Huntington was chosen as Scoutmaster for the Administration Section of the School, and Frank G. Griffin was elected Senior Patrol Leader of the Activities Section. The school was a combination of actual practice, practical demonstrations and discussion group. Men from Illinois, Indiana, Wisconsin, Michigan, Minnesota, North and South Dakota participated.

Dresser Drawers

The paper linings in your dresser drawers will stay in place if sealed on each side with strips of transparent cellophane tape.

An
ad
about
my
wife

My wife's a pretty busy woman—though I could leave out the "busy" and still be right.

Big old house. Three kids. Lots to do all the time. But she manages fine.

"I've got a wonderful helper," she often says. "Runs errands for me, carries messages to and from my friends, gets help quickly when I need it and does a lot of my shopping. Never complains, never takes time off or vacations. And works 24 hours a day for just a few nickels."

She means our telephone, of course. We've often said that to a busy housekeeper, the telephone is just about the biggest bargain in the family budget.

Today's fast pace causes children to feel insecure

The Book House for Children's Parents' Consultation Service has found that "despite all the benefits he enjoys, the modern child suffers more from feelings of insecurity than did the child of twenty years ago."

Out of every hundred letters describing undesirable character traits in children, that are received from worried mothers by the Service, more than thirty-five express concern because "my child seems so insecure."

FIFTEEN OUT OF every hundred letters in this category complain of "aggressiveness," in the child; thirteen of "fears," and ten of "over-dependence." There are fewer complaints about children who "show-off" to attract attention or of those who are "jealous" or "too shy." Only an occasional parent expresses concern for the child who is "unsocial" or "dominated by other children."

The modern child gets better medical and dental care. He has a more balanced diet. Both at home and at school, he enjoys the advantages and comforts of scientific innovations that were unknown to his father. His toys are more constructive and entertaining; his studies more interesting, comprehensive, and easier to grasp. As a result of adult education classes, special magazine and newspaper articles, radio and television fea-

tures, and clinics on child care, his parents are better informed. In analyzing the problem of his insecurity, the Service has found it to be, at least in part, a reflection of the neurotic insecurity of the adults around him, in today's fast-paced and ultra-competitive civilization.

TOO MANY interests outside the home and too few family projects and activities, tend to aggravate the condition. So do constant, or even occasional references within his hearing to "the threat of the atom bomb," "the possibilities of another war," and the father's fear of losing his job—usually imaginary.

Divorce and separation of his parents, of course, invariably prove devastating experiences to the child. And he suffers nearly as much from having a working mother, or a mother who devotes her time and energy to outside "causes," while he sits forlornly in the window waiting for her to return.

Salt May Poison Chicks

Go easy on salt in the chick-growing rations. Several cases of heavy death loss among young chicks on poultry farms have been diagnosed as salt poisoning. Authorities are not agreed on the amount of salt needed by poultry and further tests are being made.
